- Answer (1) To be eligible for participation in POA 2010, a child must
- (a) reach the age of 5 years 8 months when he/she is enrolled in P1 in September 2010 (i.e. **born on or before 31 December 2004**);

- Question (2) If parents have already submitted an application form during the “Discretionary Places Admission” stage but their children have not been offered a discretionary place, should they submit another application form again for Central Allocation?
- Answer (2) A fresh application for Central Allocation is NOT necessary. Parents will be invited by letter by the Education Bureau (EDB) in mid-January 2010 to go to a designated Central Allocation Centre in their home net on 23 January or 24 January 2010 to make choices of schools for Central Allocation. If parents have not received the letter by 19 January 2010, they should contact the School Places Allocation Section (Hong Kong Island 2832 7610, Kowloon 2832 7620, NT West & Islands 2832 7635, NT East & Tsuen Wan 2832 7659).
- Question (3) What should parents bring along when they go to the Central Allocation Centre to make choices of schools?
- Answer (3) Parents should bring along the following documents:
- (a) Hong Kong Identity Card; and
 - (b) the letter inviting parents to make choices of schools or the parent’s copy of the ‘Application Form for Admission to Primary One’.
- Question (4) What should parents do if they are unable to go to the designated Central Allocation Centre on 23 January or 24 January to make choices of schools?
- Answer (4) If parents are unable to go to the designated Central Allocation Centre on the specified dates, they should authorize in writing a representative to complete the ‘Choice of Schools’ form on their behalf. Parents may use or make reference to the sample letters of authorization available on the Homepage of the Education Bureau.

- Question (5) How can parents obtain the school lists of all school nets?
Answer (5) Parents will receive a letter inviting them to make choices of schools together with a 'Choice of Schools List for Central Allocation' of their home net in mid-January 2010. The school lists of all school nets are available for parents' reference at the kindergarten or the kindergarten-cum-child care centre their child is attending. Besides, the 'Choice of Schools List for Central Allocation' of individual school nets can also be obtained from the EDB website (<http://www.edb.gov.hk>) and the 24-hour Automatic Telephone Enquiry System at 2891 0088 (facsimile services).
- Question (6) How is the Central Allocation processed?
Answer (6) The computer-programmed central allocation will first process the 'Unrestricted School Choices' (Part A) and then the 'Restricted School Choices' (Part B). During the process of central allocation, the computer will first assign a 'Random Number' to each applicant. The allocation of places will be based on parental choices and 'Random Numbers' of the applicants to ensure fairness.
- Question (7) What should parents do if they have more than one child participating in the Central Allocation and wish to have them allocated to the same school?
Answer (7) If a parent with more than one child participating in the Central Allocation wishes to have his/her children allocated to the same school, he/she is advised to make identical choices in the 'Choice of Schools Forms' of his/her children. In such cases, his/her children would be put under one 'Random Number' during the school place allocation process.
- Question (8) When will the results of Central Allocation be released?
Answer (8) The results of Central Allocation will be released on 5 and 6 June 2010 tentatively.
