

I wish to apply for the 2010/11 Pre-primary Education Voucher Scheme for my children and may I know if my application will not be accepted beyond 31 May 2010?

- No. The Student Financial Assistance Agency (SFAA) will still accept application beyond this date. However, as it takes time for SFAA to process the applications, parents wishing to receive the Certificate of Eligibility for their eligible children before the beginning of the 2009/10 school year are advised to submit their application form on or before 31 May 2010.
- If parents can only submit their applications after 31 May 2010 due to individual circumstances, they may also send the duly completed application form together with copies of necessary identity documents to SFAA for processing. For further enquiries about applications, you may approach SFAA's hotline at 2154 2130.
