

S6 places in Direct Subsidy Scheme (DSS) Schools

As DSS Schools are not participating schools of the S6AP, students would, generally speaking, need to apply for admission to these schools direct. Nevertheless, some DSS schools take part in their district's S6 Joint Admission Scheme to facilitate students' application of their S6 places, while some of them join the DSS Schools S6 Joint Admission Day to facilitate students' application to this type of schools. In 2008, 15 DSS schools will organize their own DSS Schools Joint Admission Centre on the date of release of the 2008 Hong Kong Certificate of Education Examination to admit students from other schools to their S6.
