## 小學學位教師 PRIMARY SCHOOL MASTER/MISTRESS

## 教育主任 EDUCATION OFFICER

**官立學校教師的工作穩定，同時亦極具挑戰性。多樣化的教學專業職務，以及豐富的教師專業發展機會，都能給教學生活添上更多姿采！**

**Being a government school teacher is a stable yet challenging job. The multi-faceted professional duties as well as rich opportunities for professional development can add more charm to a teacher's life!**

官立學校一向積極配合教育局的政策方針，領先試行各項教育新措施，教師可以嘗試不同的教學策略，實踐創新的意念，發揮所長。此外，官立學校設有教師調校機制，因應學校的發展需要、教師的專長及專業發展需要，教師或會調職至其他官立學校，分享有效的教學策略和經驗，帶動官立學校的整體發展。

教育局作為官立學校的辦學團體，十分重視教師專業發展，為教師提供多元化的專業發展機會。教師除了參加校內校外的專業發展活動和培訓課程之外，更有機會參與跨校學習圈、「心繫家國」聯校國民教育活動、內地或海外的交流活動。官立學校之間的聯繫緊密，教師團隊互相學習、互相支援，真正達至教學相長。

此外，官立學校教師可以透過借調計劃，調任至教育局內不同分部，獲取教學以外的工作經驗，例如協助制定教育政策、支援學校發展、製作課程資源、舉辦教師培訓及進行學校評核等，拓寬視野。教師返回原校崗位時，會將相關經驗與校內同事分享，促進團隊的專業成長。

教育以「立德樹人」為目標，教師肩負培育國家和社會人才的重要使命，意義深重。如果你願意投身教育，加入官立學校教師團隊是明智選擇，相信你會獲得不一樣而充實的體驗！

Government schools have been providing active support for the Education Bureau's directions and policies, and taking forward various new educational initiatives. Teachers in government schools can try out different teaching strategies, implement innovative ideas to realise their talent. Besides, under the posting mechanism, teachers may be transferred among government schools according to school's development needs as well as teachers' expertise and professional development needs. Such arrangement enables the sharing of effective teaching strategies and experience among different schools, leading to the development of government schools as a whole.

As the school sponsoring body of government schools, the Education Bureau attaches great importance to teachers' professional development and offers diversified professional development opportunities for government school teachers. Apart from participating in professional development activities and training courses both inside and outside schools, teachers in government schools are granted the opportunities to join cross-school learning circles, "Love Our Home, Treasure Our Country" - Joint School National Education Activities, as well as Mainland or overseas exchange activities. Given the close tie among government schools, the teaching teams are able to learn from each other, support each other and grow together.

In addition, government school teachers may be seconded to different divisions of the Education Bureau through the attachment programme. They can gain experience on work other than teaching, such as assisting in the formulation of education policies, supporting school development, producing curriculum resources, organising teacher training and conducting school review, etc., to broaden their horizons. Upon their return to their original teaching posts, the teachers would share relevant experiences with their colleagues to promote the professional growth of the school team.

The goals of education are to cultivate values and nurture people. Teachers shoulder the important mission of nurturing talents for the country and society, which is of great significance. If you would like to dedicate yourself to education, joining the government schools is definitely a wise choice. I believe you will have a unique and fulfilling experience!
