1 September 2015

To: Supervisors / Principals of all Kindergartens, Kindergarten-cum-Child Care Centres,
Secondary, Primary and Special Schools

Dear Supervisors / Principals,

Talks on Reducing Lead Exposure and Water Safety

The Government is highly concerned about the quality of drinking water in schools. To enhance schools' understanding of the ways to reduce lead exposure and maintain water safety so as to allay the health concerns brought by lead in drinking water in schools, the Education Bureau will organize, in collaboration with the Department of Health and Water Supplies Department, eight identical talks for schools. Please refer to Session List (Appendix 1) for details of the talks.

Representatives of teaching staff and Parent-Teacher Association (maximum of two) are invited to attend the talks on the specified dates and venue. Please complete the attached Reply Slip (Appendix 2) and return to us by fax (fax number: 2891 2593) on or before 4 September. Schools will be notified separately if the talks are over-enrolled.

For enquiries, please contact respective Senior School Development Officer or Senior Service Officer of your school.

Yours faithfully,

(Mrs S C KWONG)
for Secretary for Education
