### **General Guidelines on Lease Modification/Waiver for School Applications**

#### **1. Introduction**

These guidelines introduce the application procedures for modification/temporary waivers of lease conditions. They are not intended to create any legal rights or obligations and serves only to explain the key features of current Government policy in respect of lease modification/waiver applications.

Any departure from lease conditions must obtain prior approval from the Lands Department (LD). Otherwise, the property will be liable to lease enforcement action.

The applicant is strongly advised to enlist the service of a registered professional surveyor at the early stage to avoid unnecessary waste of time and efforts resulting from unsuccessful applications.

#### **2. Purpose and Nature of Lease Modification/Waivers**

- a. Lease modification is a permanent variation of restrictions under Government leases or land grants.
- b. Waivers are temporary permissions granted by LD to relax restrictions under Government leases or land grants.
- c. Government leases, under which all private property in Hong Kong is held, usually contain restrictions as to the uses which the land or buildings may be put. Where a leaseholder wishes to carry out activities for a permanent/temporary period which do not comply with his lease conditions, he should apply for a lease modification/waiver from the LD to permanently vary/temporarily relax the restriction(s) under the lease. If the lease modification/waiver application is approved, the Government, as landlord, will require the leaseholder to pay a premium reflecting the enhanced value of the property/a fee reflecting the enhanced value of the property for the period of the waiver. Additional relevant conditions related to the new use of the property may also be imposed.

3. Application for a Lease Modification/Waiver

- a. The applicant(s) should be the registered owner(s) of the property concerned; or his/their authorized persons.
- b. The applicant(s) should submit an application letter together with all supporting documents listed in the application form to the respective District Lands Office for processing. A sample of the application form is attached at Appendix 2b.

4. Procedures for processing Lease Modification/Waiver Applications

- a. As a general rule, all lease modification/waiver applications must be submitted by the registered owner(s) of the property concerned or his/their authorized persons.
- b. Upon receipt of a lease modification/waiver application and payment of initial administrative fee, LD will consult relevant Government departments. Each case will be considered in its merits after full consideration of the circumstances.
- c. If the application is approved, a basic terms offer letter setting-out the amount of premium/waiver fee, balance of the administrative fee (if any) and the deposit payable etc., will be issued to the applicant. The applicant will be required to indicate acceptance of the basic terms within the period stated in the letter before a formal modification letter/waiver letter is issued.
- d. Once an offer is accepted and payment made, the LD will issue the modification letter/waiver letter to the applicant for execution. A certified copy for the executed modification letter/waiver letter will be registered by memorial at the Land Registry. The applicant shall also pay the concerned registration fee to be charged by the Land Registry.
- e. If the application is not approved, a letter giving the reasons for disapproval will be sent to the applicant.
