Mainland University Study Subsidy Scheme

2022 / 23

Introduction

The Mainland University Study Subsidy Scheme (MUSSS) aims to support Hong Kong students in pursuing undergraduate studies on the Mainland and ensure that no students will be deprived of post-secondary education opportunity due to a lack of means. The MUSSS comprises two components: "means-tested subsidy" and "non-means-tested subsidy". The subsidy is granted on a yearly basis. The subsidised period is the normal duration of the undergraduate programme pursued by the student concerned in a designated Mainland institution. Eligible applicants can only receive either a means-tested subsidy or a non-means-tested subsidy in a given academic year. The MUSSS is not subject to any quota.

Applications for the MUSSS for the 2022/23 academic year are now invited. Eligibility for the MUSSS, the amount of subsidy and the application procedure are as below:
