Notes
(1) Figures include ordinary secondary day schools, but not special schools and secondary day courses operated by private schools offering tutorial, vocational and adult education courses.
(2) Figures refer to the position as at mid-September of the respective years.
(3) Figures on accommodation refer to the number of students that can be accommodated in operating classes (excluding vacant classrooms) in accordance with the planned class sizes as adopted by schools concerned. Figures on accommodation in DSS schools prior to 2007 are derived based on the assumed standard class sizes.

(4) Some DSS secondary day schools also operate non-local formal curriculum courses.

(5) Figures for local private schools also include Private Independent Schools (PIS). Most of the PIS operate non-local formal curriculum courses.
