

**Data Specification for
The number of cross-boundary students in kindergartens, primary and secondary schools**

Data is provided by EDUCATION BUREAU. This web service returns up-to-date data in CSV, XLSX format.

Item	Description	Note
School Level	School Level	Data type: Text Acceptable values: Kindergarten (including kindergarten-cum-child care centre) Primary School Secondary School
School Year	School Year	Data type: Numeric
No of Students	Number of Students	Data type: Numeric

Notes:

- (1) Figures refer to the position as at September of the respective school years.
- (2) Figures are based on the annual surveys on the number of students travelling daily across the boundary conducted via schools in the North, Tai Po, Yuen Long, Tuen Mun, Sha Tin, Tsuen Wan, Kwai Tsing, Tung Chung and Wong Tai Sin districts.
