Disclaimer

1. The purpose of this Expression of Interest exercise is to invite market feedback, on a non-committal basis, on whether there are institutions interested in developing Applied Learning courses which will be offered for the cohorts of students sitting the 2026, 2027 and 2028 HKDSE for consideration of the Government. According to The Report Action for the Future – Career-oriented Studies and the New Senior Secondary Academic Structure for Special Schools (Education Bureau, August 2006), Applied Learning (formerly known as Career-oriented Studies) is an integral part of the senior secondary curriculum. All Applied Learning courses are to be developed and delivered in accordance with the guiding principles, curriculum aims and objectives as set out in the curriculum guides (e.g. Applied Learning Curriculum and Assessment Guide (Senior Secondary Level)), circulars, guidelines and other relevant documents from the Education Bureau.
2. The Government may not accept any of the Expression of Interest. Each responding institution submitting Expression of Interest shall be solely responsible for the fees, costs and expenses incurred in preparing and submitting the Expression of Interest, or subsequent responses or initiatives on the part of any responding institution. The Government will under no circumstances be liable to any responding institution for any such fees, costs, expenses, loss or damage whatsoever arising out of or in connection with the Expression of Interest process.

5. This Invitation to Expression of Interest should not be regarded as a suggestion of the Government or any officers, agents or advisors to any institutions to submit the Expression of Interest.
6. This Expression of Interest exercise is not a tender exercise but a structured way to obtain market feedback. The Government may not take any further action after the invitation to Expression of Interest. This invitation or the related Expression of Interest does not constitute any contractual evidence for the course provision of Applied Learning courses.
7. It is intended that, from those institutions who express an interest in developing Applied Learning courses, a shortlist of institutions will be invited to submit detailed course proposals. However, the Government is not bound to invite detailed course proposals from any of these institutions expressing an interest.

Responding institutions are not to construe the contents of this invitation, or any other communication by or on behalf of the Government, or any of its officers, agents or advisors, as financial, legal, tax or other advice. Each responding institution should consult its own professional advisors as to financial, legal, tax or other matters concerning the development of the Applied Learning courses.
9. The Government is not obliged or liable to have any individual or joint compromise with any responding institution on the course provision for Applied Learning courses.
10. The submission of any Expression of Interest by a responding institution shall be taken to be an acceptance of the terms of this invitation, including all the Appendices and Annexes.
