

Personal, Social & Humanities Education
Key Learning Area

Primary Humanities
Curriculum Framework (Final Draft)

Curriculum Development Council
March 2024

Learning Themes of All Levels

Remarks:

*Blue represents suggested number of lessons: Take 35 minutes for each lesson as an example. **Schools are recommended to flexibly make good use of the learning time for overall curriculum planning of the learning of Primary Humanities within and beyond the classroom.** “Learning Time of Primary Humanities” can include Primary Humanities classroom learning and cross-curricular activities, learning experiences, extended learning activities that included elements related to the subject. In sum, lesson time allocated to the **curriculum planning of Primary Humanities should not be less than 7% of total lesson time.**

	Primary 1	Primary 2	Primary 3	Primary 4	Primary 5	Primary 6
1	1.1 Our School (10-13 lessons)	2.1 Making Friends (3-4 lessons)	3.1 Making Friends- Encourage Each Other (3-4 lessons)	4.1 Environment and I (7-9 lessons)	5.1 Puberty (8-10 lessons)	6.1 Resistance to Temptations (8-10 lessons)
2	1.2 I am Growing Up (8-9 lessons)	2.2 Proper Use of Leisure (4 lessons)	3.2 Healthy Living (7-9 lessons)	4.2 The Earth is My Home (14-17 lessons)	5.2 Healthy Lifestyle (9-12 lessons)	6.2 Treasure Life (6-10 lessons)
3	1.3 My Family (8 lessons)	2.3 Let’s Play (4 lessons)	3.3 Green Living (4 lessons)	4.3 Inherit Chinese Culture, Exploring the World (14 lessons)	5.3 Smart Money Management (7-9 lessons)	6.3 Change of Our Country (15 lessons)
4	1.4 Smart Living (8 lessons)	2.4 My Community (4-6 lessons)	3.4 Community Health (9-11 lessons)	4.4 National History (8 lessons)	5.4 Economy of Hong Kong (13 lessons)	6.4 Our Home, Together with Our Country (10 lessons)
5	1.5 Festivals and Celebrations (8 lessons)	2.5 Caring our Community (4 lessons)	3.5 Our Community Life (11 lessons)	4.5 Past and Present of Hong Kong (8 lessons)	5.5 National Development (10 lessons)	6.5 Care for Hong Kong (8 lessons)

	Primary 1	Primary 2	Primary 3	Primary 4	Primary 5	Primary 6
6	1.6 My Home Country (5 lessons)	2.6 Joy in Nature (6-8 lessons)	3.6 Hong Kong, Our Home (9 lessons)	4.6 Basic Law and I (4 lessons)	5.6 National Geography (15 lessons)	6.6 Care for Our Earth (6-9 lessons)
7		2.7 My Home Country - Stories of China (10 lessons)	3.7 Multi-cultural Society (6 lessons)	4.7 Prevention of Diseases (4-6 lessons)	5.7 Staying Safe and Healthy (6-8 lessons)	6.7 Exploring the World (15 lessons)
8		2.8 My Home Country - Stories of Hong Kong (8 lessons)	3.8 Climate of Hong Kong (4 lessons)	4.8 Media and Information Literacy- Making Sensible Choices (11 lessons)		
9		2.9 Information Literacy (3 lessons)	3.9 Sightseeing in Hong Kong (4 lessons)			
10			3.10 National Geography (6 lessons)			
11			3.11 Sightseeing in Our Country (9 lessons)			
No. of Lessons	51	51	77	77	77	77

[The above does not include flexible time]

Strands and Essential Learning Content of All Levels [Refer to the table after p. 15 for detailed learning content]

Remarks:

*Green represents the enriched content

*Red represents the relevant learning content involves elements related to science and is taught in-depth in Primary Science. Primary Humanities teachers are recommended to liaise with Primary Science teachers and consider collaborative teaching (included deleted content) to cover such content.

I. Health and Living

Level	Essential Learning Content
1	1.1.3 Getting along with peers 1.1.6 Ways of seeking help when facing problems (e.g. safety) 1.1.7 Using information technology ethically (e.g. safe and healthy use of mobile devices) 1.2.1 Balancing work and rest time every day (e.g. taking enough sleep) 1.2.2 Managing oneself in everyday life (e.g. personal hygiene, time, keeping and managing personal belongings) 1.2.3 Impact of Internet communications on health and everyday life (e.g. not getting addicted to the Internet) 1.2.4 Different stages and changes of growth and development 1.2.5 Personal safety (e.g. protecting our body, including the private parts) 1.3.2 Living with family members 1.4.2 Basic personal hygiene habits and environmental hygiene practices (e.g. proper hand-washing, no littering) 1.4.3 Healthy diet 1.4.4 General safety measures in everyday life (e.g. home safety)
2	2.1.1 Uniqueness of an individual (e.g. likes and dislikes, attributes and abilities, thoughts and feelings) 2.1.2 Getting along with friends and family members 2.2.1 Managing oneself in everyday life (e.g. time) 2.2.2 Types of leisure activities 2.3.2 Types of toys

Level	Essential Learning Content
	2.3.3 Points to note related to playing with toys and ways to treasure toys 2.4.3 Ways of seeking help in our community in case of emergencies (e.g. fires, safety) 2.4.4 Environmental hygiene 2.6.2 Safety measures for activities under different weather conditions (e.g. paying attention to the weather conditions before setting off, equipment required, contingency plan)
3	3.1.1 Getting along harmoniously with friends, respecting others' feelings and opinions, and respecting others online 3.1.2 Conflict resolution skills in everyday life 3.1.3 Decision-making in simple dilemmas 3.2.1 The importance of physical exercise and rest to health (e.g. regular exercise) 3.2.2 General safety measures in everyday life (e.g. sports safety) 3.2.3 The need to express feelings and emotions, and how they affect oneself and others 3.2.4 Managing oneself in everyday life (e.g. emotions) 3.2.5 Ways of seeking help when facing problems (e.g. health) 3.4.1 Proper handling and use of medicine 3.4.2 The harm of taking harmful substances (e.g. cigarettes, alcohol) and drugs 3.4.3 Basic personal hygiene habits and environmental hygiene
4	4.7.1 Understanding common health problems 4.7.2 Understanding activities related to promotion and maintenance of community health 4.7.3 Problems and solutions related to environmental hygiene in Hong Kong 4.8.1 Using information technology properly and safely to convey information
5	5.1.1 Physical, psychological and social changes of boys and girls during puberty 5.1.2 Gender roles and relationships, feelings and reactions towards sex, and ways to deal with them 5.2.1 Dealing with stress and frustration (e.g. peer pressure, harassment, study, emotions) 5.2.2 Skills for enhancing interpersonal relationships and assertiveness (e.g. ways to express emotions, strengths and weaknesses of oneself or everyone)

Level	Essential Learning Content
	5.2.3 Dealing with unfamiliar situations and challenges 5.2.4 Strategies for managing and minimising risks in everyday life (e.g. safety, health, interpersonal relationships) 5.7.1 Strategies for managing and minimising risks in everyday life (e.g. large-scale mass-gathering events , fires) 5.7.2 Safety issues and simple first-aid skills in everyday life 5.7.3 People and organisations that provide assistance in first aid and prevent accidents and violence
6	6.1.1 Different stages and characteristics of personal growth 6.1.2 Saying “NO” to sexual requests, be on guard against sexual offences 6.2.1 The impact of drug abuse, substance abuse, smoking and gambling on individuals, family and society 6.2.2 Saying “NO” to gambling, drug abuse, smoking and drinking 6.2.3 Dealing with stress and frustration, and develop a good lifestyle

II. Environment and Living

Level	Essential Learning Content
1	1.3.1 Family members 1.4.1 Developing environmentally-friendly living habits in everyday life, going green at school, including environmentally-friendly facilities and individual responsibilities 1.6.1 Developing basic knowledge of our country and cultivating a sense of nationhood
2	2.6.1 Country parks / beaches in Hong Kong and their characteristics 2.6.3 Develop environmentally-friendly living habits in everyday life, care for the environment and ways of conserving resources (e.g. waste reduction) 2.6.4 Planting and taking care of small animals
3	3.3.1 How the natural environment in the community affects people’s life 3.3.2 Care for the environment and ways of conserving resources (e.g. reducing electricity use, waste reduction) 3.3.3 Develop environmentally-friendly living habits in everyday life 3.8.1 Climate and weather changes in Hong Kong and their impact on everyday life

Level	Essential Learning Content
	3.8.2 Safety measures for activities under different weather conditions (e.g. equipment required, contingency plan) 3.9.1 Historic landmarks and natural landscapes of Hong Kong 3.10.1 Basic understanding of our country's territory 3.10.2 My home country: capital and important cities 3.10.3 Understanding China's famous mountains, rivers, scenic spots and historic landmarks
4	4.1.1 Reading and drawing sketches/maps and other simple graphical representations 4.1.2 Understanding how people are affected by the natural environment and how they react to the limitations imposed by the natural environment 4.1.3 Identifying and describing climate and seasonal changes and their impacts 4.2.1 Resources of the Earth and our country 4.2.2 The impact of geographical environment on people's lives and social culture 4.2.3 Impact of changes in the natural environment (e.g. climate change, natural hazards) on people and how people respond to these changes 4.2.4 Showing concern for local and national environmental issues (e.g. water pollution, air pollution), and our country's achievements in environmental conservation 4.2.5 Individuals' responsibilities in environmental conservation, making good use of resources and practising green living (e.g. waste reduction at source, saving energy) 4.3.3 Heritage conservation and activities of historical inheritance
5	5.3.3 Practising green consumption and green living 5.6.1 Geographical location, physical characteristics and territory of our country 5.6.2 Natural environment and people's life of our country
6	6.6.1 Renewable energy and non-renewable energy 6.6.2 Environmental problems in Hong Kong 6.6.3 Government and individuals' responsibilities in environmental conservation

III. Financial Management and Economy

Level	Essential Learning Content
1	1.2.2 Managing oneself in everyday life (e.g. personal hygiene, time, keeping and managing personal belongings) 1.5.3 Managing oneself in everyday life (e.g. money)
2	2.2.3 Managing oneself in everyday life (e.g. money)
3	3.5.1 Goods, facilities and services in the community 3.5.2 Conducting transactions of goods and services to meet the needs of individuals and families 3.5.3 Managing oneself in everyday life (e.g. money) 3.5.4 Rights and responsibilities of consumption and using the community facilities and services
4	4.5.1 The history and social development of Hong Kong 4.8.2 Media education and information literacy, including messages disseminated by the media, intellectual property rights and privacy (e.g. saying “NO” to illegal uploading/downloading files, citing the sources of information, avoiding plagiarism, protecting personal information)
5	5.3.1 Managing and using money 5.3.2 Impact of the development of science and technology on human life (e.g. online shopping and payment) 5.3.3 Practising green consumption and green living 5.4.1 Factors affecting the economic development of Hong Kong (e.g. geographical location, resources) 5.4.2 Protection of the economy of Hong Kong under the Basic Law 5.4.3 Major and emerging industries of Hong Kong 5.4.4 Trade between Hong Kong, the Mainland and other parts of the world
6	6.1.3 The impact of cyber traps on individuals and society, and ways to defend against cyber traps 6.2.2 Saying “NO” to gambling, drug abuse, smoking and drinking

IV. Community and Citizenship

Level	Essential Learning Content
1	1.1.1 School environment and activities 1.1.2 School members (respect for teachers/elders) 1.1.4 Roles and responsibilities of individuals in school (cultivating diligence and a sense of responsibility) 1.1.5 The importance of rules 1.3.1 Family members 1.3.3 Roles and responsibilities in the family 1.5.2 Learning about different cultural groups and respecting their cultures and lifestyles
2	2.4.1 Characteristics of our community (e.g. historic landmarks, natural landscapes, living in the community) 2.4.2 Different occupations, facilities and services in the local community 2.5.1 Roles and responsibilities of individuals in society and different communities 2.5.2 Communicating and getting along with others in the community 2.8.1 Understanding the Han culture through Hong Kong Lei Cheng Uk Han Tomb
3	3.5.1 Goods, facilities and services in the community 3.5.4 Rights and responsibilities of consumption and using the community facilities and services 3.5.5 The development of housing, transportation and cultural characteristics of Hong Kong 3.5.6 Differences among people, the importance of respecting the rights of others, and communicating and getting along with others in the community 3.6.1 Origin of the Basic Law and “one country, two systems” (e.g. travel documents, currencies) 3.6.3 The importance of the Basic Law to the lives of Hong Kong residents 3.6.4 The importance of law and order, basic knowledge about the National Security Law and its importance to Hong Kong 3.6.5 Understanding the Chinese People’s Liberation Army Hong Kong Garrison and Hong Kong’s defence 3.7.1 Multi-cultural backgrounds of Hong Kong residents as well as their contributions and impact on the historical development of Hong Kong 3.7.2 Learning about different cultural groups and respecting their cultures and lifestyles

Level	Essential Learning Content
	3.9.1 Historic landmarks and natural landscapes of Hong Kong
4	4.6.1 The constitutional background of the Basic Law and “one country, two systems” (e.g. religions, sports) 4.6.2 Rights and responsibilities of Hong Kong residents according to the Basic Law 4.6.3 The importance of observing law and order
5	5.4.2 Protection of the economy of Hong Kong under the Basic Law
6	6.4.1 The constitutional background of the Basic Law and “one country, two systems” 6.4.2 Rights and responsibilities of Hong Kong residents according to the Basic Law 6.4.3 The importance of observing law and order 6.4.4 The functions and services provided by the HKSAR Government and district organisations 6.5.1 Channels and ways to express opinions to the government, organisations or groups 6.5.2 The importance of participation in community affairs 6.5.3 Living in harmony with members of different communities

V. Our Country and Me

Level	Essential Learning Content
1	1.5.1 Characteristics of Chinese culture (e.g. stories of festivals, customs of ethnic groups) 1.6.1 Developing basic knowledge of our country and cultivating a sense of nationhood 1.6.2 Observing the etiquette when attending a national flag-raising ceremony and when the national anthem is being played and sung
2	2.3.1 Traditional Chinese toys 2.7.1 Origin of the Chinese nation (e.g. ancient Chinese stories, Yu the Great and flood control) 2.7.2 Characteristics of Chinese culture (e.g. origin of Chinese characters) 2.7.3 Important dynasties in Chinese history: the Qin Dynasty 2.7.4 Figures and stories having an important impact on Chinese history (e.g. Qin Shi Huang and the Great Wall, Terracotta Warriors in Xi’an) 2.7.5 Inventions in ancient China

Level	Essential Learning Content
	2.7.6 Some significant or interesting events/things of China (e.g. giant pandas) 2.8.2 My home country - national flag and national emblem, national anthem, and some important dates (e.g. the National Day) 2.8.3 Establishment of the HKSAR and local symbols (e.g. regional flag, regional emblem) of the HKSAR
3	3.6.1 Origin of the Basic Law and “one country, two systems” (e.g. travel documents, currencies) 3.6.2 Symbols of the HKSAR (regional flag and regional emblem) and their meanings 3.6.4 The importance of law and order, basic knowledge about the National Security Law and its importance to Hong Kong 3.11.1 China is a unified multi-ethnic country. Respecting the culture and living habits of other ethnic groups 3.11.2 Important dynasties in Chinese history: the Han Dynasty 3.11.3 Figures and stories having an important impact on Chinese history (e.g. Zhang Qian and the Silk Road) 3.11.4 Characteristics of Chinese culture
4	4.3.1 Inheriting virtues of Chinese culture 4.3.2 Characteristics of Chinese culture as demonstrated by cultural heritage (e.g. ancient cities, buildings, arts and culture) 4.3.3 Heritage conservation and activities of historical inheritance 4.4.1 Important dynasties in Chinese history: Tang, Song, Yuan 4.4.2 Knowing Chinese history and culture through monuments in Hong Kong 4.4.3 Figures and stories having an important impact on Chinese history (e.g. Xuanzang’s Journey to the West, Yue Fei’s loyalty to our country / Wen Tianxiang’s love and loyalty to our country) 4.5.1 The history and social development of Hong Kong 4.6.1 The constitutional background of the Basic Law and “one country, two systems” (e.g. religions, sports)
5	5.5.1 Important dynasties in Chinese history: the Ming Dynasty 5.5.2 Figures and stories having an important impact on Chinese history (e.g. Zheng He and the Maritime Silk Road, Li Shizhen and the “Compendium of Materia Medica”) 5.5.3 Recent economic and technological development of our country and linkage between our country and other parts of the world (e.g. development of the Belt and Road Initiative, the Guangdong-Hong Kong-Macao Greater Bay Area, navigation satellite systems)

Level	Essential Learning Content
6	<p>6.3.1 Important dynasties in Chinese history: the Qing Dynasty</p> <p>6.3.2 Figures and stories having an important impact on Chinese history (e.g. Jeme Tien Yow and the railways of China, Dr Sun Yat-sen and the 1911 Revolution)</p> <p>6.3.3 Major historical events having an impact on society today (e.g. Opium Wars, the 1911 Revolution, War of Resistance against Japanese Aggression, founding of the People’s Republic of China)</p> <p>6.3.4 The latest development of our country (e.g. development of poverty alleviation, urbanisation, transportation, achievements in combating desertification, aerospace technology)</p> <p>6.4.1 The constitutional background of the Basic Law and “one country, two systems”</p> <p>6.4.5 National security and National Security Law</p>

VI. The World and Me

Level	Essential Learning Content
1	<p>1.1.7 Using information technology ethically (e.g. safe and healthy use of mobile devices)</p> <p>1.2.3 Impact of Internet communications on health and everyday life (e.g. not getting addicted to the Internet)</p>
2	<p>2.9.1 Using information ethically (e.g. protecting privacy, learning about intellectual property rights)</p>
3	<p>3.1.1 Getting along harmoniously with friends, respecting others’ feelings and opinions, and respecting others online</p> <p>3.5.5 The development of housing, transportation and cultural characteristics of Hong Kong</p> <p>3.7.1 Multi-cultural backgrounds of Hong Kong residents as well as their contributions and impact on the historical development of Hong Kong</p> <p>3.7.2 Learning about different cultural groups and respecting their cultures and lifestyles</p>
4	<p>4.3.4 Common elements in different cultures</p> <p>4.3.5 Effects of cultural exchange on societies and cultures</p> <p>4.8.1 Using information technology properly and safely to convey information</p> <p>4.8.2 Media education and information literacy, including messages disseminated by the media, intellectual property rights and privacy (e.g. saying “NO” to illegal uploading/downloading files, citing the sources of information, avoiding plagiarism, protecting</p>

Level	Essential Learning Content
	<p>personal information)</p> <p>4.8.3 Proper attitudes on processing information and expressing opinions via communication network and social media (e.g. e-mail, online platforms)</p>
5	<p>5.4.4 Trade between Hong Kong, the Mainland and other parts of the world</p> <p>5.5.3 Recent economic and technological development of our country and linkage between our country and other parts of the world (e.g. development of the Belt and Road Initiative, the Guangdong-Hong Kong-Macao Greater Bay Area, navigation satellite systems)</p>
6	<p>6.1.3 The impact of cyber traps on individuals and society, and ways to defend against cyber traps</p> <p>6.7.1 Important historical events that influenced global development</p> <p>6.7.2 Global issues that are of common concern of mankind</p> <p>6.7.3 The interdependence of different parts of the world</p> <p>6.7.4 Linkage between China and other parts of the world</p>

Learning Themes, Essential Learning Content, Learning Content Descriptions, Suggested Learning Activities / Teaching Recommendations and Relevant Learning and Teaching Resources of All Levels

Remarks:

1. The Roman numeral represents the respective Strand of Essential Learning Content
2. The Arabic numeral represents Year Level, Learning Theme and Essential Learning Content (e.g.: 1.2.3 represents the third Essential Learning Content of the second Learning Theme in P.1)
3. Green represents the enriched content
4. Red represents the relevant learning content involving elements related to science and is taught in-depth in Primary Science. Primary Humanities teachers are recommended to liaise with Primary Science teachers and consider collaborative teaching (deleted content included) to cover such content.
5. Purple represents the relevant learning content can be taught in Personal Growth Education lesson, other subjects, school-based activities, etc., and may be taught in brief
6. Blue represents the suggested number of lessons: Take 35 minutes for each lesson as an example. **Schools are recommended to flexibly make good use of the learning time for overall curriculum planning of the learning of Primary Humanities within and beyond the classroom. Primary Humanities classroom learning and cross-curricular activities, learning experiences, extended learning activities that include elements related to the subject, could be counted towards “Learning Time of Primary Humanities”. In sum, lesson time allocated to the curriculum planning of Primary Humanities should not be less than 7% of total lesson time.**
7. Blue highlight represents the priority values and attitudes: “Perseverance”, “Respect for Others”, “Responsibility”, “National Identity”, “Commitment”, “Integrity”, “Benevolence”, “Law-abidingness”, “Empathy”, “Diligence”, “Filial Piety” and “Unity”; teachers may incorporate appropriate school-based values and attitudes with different elements of Primary Humanities when necessary (*Please refer to the Chinese Version of the Primary Humanities Curriculum Framework (Final Draft)*)
8. Yellow highlight represents the important learning elements: “Environmental Protection Education / Sustainable Development”, “Financial Education”, “Sex Education”, “Media and Information Literacy / Cyberbully”, “National History / Historical Figures”, “Handling Risks / First Aid”, “National Geography/Climate”, “Psychological Health / Resilience / Life Education”, “National Education / National Security Education”, “Physical Health / Personal Hygiene”, “General Studies National Security Education Curriculum Framework” (*Please refer to Chinese Version of the Primary Humanities Curriculum*

Framework (Final Draft)

Note: This document is the translated version of Primary Humanities Curriculum Framework (Final Draft). In case of discrepancies between the English and Chinese versions, the Chinese version shall prevail. For details, please refer to the Chinese Version of the Primary Humanities Curriculum Framework (Final Draft).

Strands:

I	II	III	IV	V	VI
Health and Living	Environment and Living	Financial Management and Economy	Community and Citizenship	Our Country and Me	The World and Me

For details of suggested learning activities / teaching recommendations and relevant learning and teaching resources, please refer to the Chinese version of the Primary Humanities Curriculum Framework (Final Draft).

Primary 1 [Total: 51 lessons]

Learning Theme	Essential Learning Content	Learning Content Description
1.1 Our School (10-13 lessons)	<ul style="list-style-type: none"> ● 1.1.1 School environment and activities (3 lessons) IV ● 1.1.2 School members (respect for teachers/elders) (2 lessons) IV ● 1.1.3 Getting along with peers (1 lesson) I ● 1.1.4 Roles and responsibilities of individuals in school (cultivating diligence and a sense of responsibility) (2 lessons) IV ● 1.1.5 The importance of rules (2 lessons) IV ● 1.1.6 Ways of seeking help when facing problems (e.g. safety) (2 lessons) I ● 1.1.7 Using information technology ethically (e.g. safe and healthy use of mobile devices) (1 lesson) I, VI 	<ul style="list-style-type: none"> ● Learn about the primary school environment and activities, and have a basic understanding of the school’s history (1.1.1) {may teach in brief if the learning content has been introduced in the P1 orientation day/week conducted in August} ● Learn about the school’s facilities, equipment and safety issues, and learn to read the school’s floor plan (e.g. the fire escape routes) (1.1.1, 1.1.6) ● Know the school members and their roles and responsibilities (1.1.2) ● Know how to respect and be polite to teachers (1.1.2, 1.1.4) ● Get along harmoniously with school members, know how to respect and care for others, be helpful and integrate well into a group (1.1.3, 1.1.4) ● On top of studying hard, understand that they should handle their own matters (e.g. packing the school bag, cleaning up the desk, tidying up things), acquire the basic skills of managing personal belongings, and be a diligent and responsible primary student (1.1.4) ● Understand the importance of school regulations and discipline, and be willing to observe class and school regulations (1.1.5) ● Know how to seek help when facing problems and danger (e.g. paying attention to safety on the way to and back from school), and express needs and feelings (1.1.6) ● Learn about the network facilities at school and their uses, the proper attitudes towards the use of information and learn to use the Internet and mobiles devices safely (e.g. tablets) (1.1.7) ● Understand the impact of Internet addiction on one’s work and rest, and start to pay

Learning Theme	Essential Learning Content	Learning Content Description
		attention to the need for safe, proper and healthy use of computing devices (1.1.7) <ul style="list-style-type: none"> ● Start to pay attention to the application of information technology products in everyday life (1.1.7)
1.2 I am Growing Up (8-9 lessons)	<ul style="list-style-type: none"> ● 1.2.1 Balancing work and rest time every day (e.g. taking enough sleep) (2 lessons) I ● 1.2.2 Managing oneself in everyday life (e.g. personal hygiene, time, keeping and managing personal belongings) (2 lessons) I, III ● 1.2.3 Impact of Internet communications on health and everyday life (e.g. not getting addicted to the Internet) (2 lessons) I, VI ● 1.2.4 Different stages and changes of growth and development (1 lesson) I ● 1.2.5 Personal safety (e.g. protecting our body, including the private parts) (2 lessons) I 	<ul style="list-style-type: none"> ● Know how to plan for oneself a balanced daily schedule (e.g. play, learn, eat, exercise and rest) and understand the importance of sleep (1.2.1) ● Know the things that can be done by oneself in everyday life (e.g. maintaining personal hygiene, allocating time reasonably, taking care of one's personal belongings) and put them into practice to cultivate diligence (1.2.2) ● Understand the impact of Internet activities on work, rest and health, the need to protect the eyes and the posture and pay attention to the duration when using electronic devices, the protection of the spine, and not to get addicted to the Internet (1.2.3) {may teach in brief if already taught in Computer lessons} ● Learn about the different stages of growth and development, understand that there are individual differences, and learn to accept oneself and not to compare with others (1.2.4) ● Know how to care for our body (e.g. maintaining personal hygiene, brushing our teeth and cleaning our body) (1.2.5) ● Learn about the similarities and differences between boys and girls, and accept the differences and uniqueness of our body (1.2.5) ● Learn about the private parts of our body and ways of protecting them, and beware of sexual abuse (1.2.5)
