

AR Thematic Map “我國的地貌” (electronic version) (Chinese version only)

Purpose

This is to inform heads of primary and secondary schools about the details of the captioned AR thematic map.

Details

2. In response to The Chief Executive’s 2022 Policy Address to strengthen students’ sense of national identity and national pride, the Education Bureau (EDB) has produced an AR thematic map (Chinese version only) to support schools in learning National Geography inside and outside the classroom, with a view to enhancing students’ understanding of our country’s landform features, natural environment and their relationship with human activities. This AR map has been distributed to schools in October 2023. The electronic version of this map and the files related to the landform features and natural environment of our country are now available for use by teachers and students. Teachers can print out the map and the files as information sheets for conducting learning and teaching activities.

3. The above-mentioned AR map has been uploaded onto the EDB website below for reference and use by teachers and students.
