

GalaMusica • School Creative Works 2026 (Primary)

1. Introduction

The GalaMusica • School Creative Works 2026 aims to encourage students to express their ideas through original music with multimedia support.

2. Schedule※

Date	Item	Content / Remarks
29 September 2025 (Monday)	Application Deadline	Submission of the Application Form
Early October 2025	Workshop	The workshop mainly includes: <ul style="list-style-type: none"> • music compositional device • music writing techniques for both built-in virtual instruments in music-making applications and authentic musical instruments • using music-making applications
On or before 11 November 2025 (Tuesday)	Preliminary Selection	The required information for participating in the preliminary selection includes (Annex 1): <ul style="list-style-type: none"> • audio recording of the original music, approximately 40 seconds in length (MP3 file), and/ or a music score; • “Creative Work Information Form” with a written introduction of the original music (in PDF format)
Early December 2025	Individual Consultation	The composer will provide feedback on the initial drafts of the creative works submitted by the selected participating school teams.
On or before 21 January 2026 (Wednesday)	Final Selection Deadline	Information to be submitted should include (see Annex 2 for the details): <ol style="list-style-type: none"> 1) video-recording of the participating team’s performance; 2) music score(s); 3) screen recording of the tablet performance (if the work includes pre-recorded music); 4) signed original copy of the Declaration and Consent Slip; and 5) programme notes (about 150 to 200 words, either in Chinese or English)
Late January 2026	Final Selection	Selection of outstanding creative works by the adjudicators, and distinguished school teams will be invited to perform their works in the Final Performance

School teams selected for the Final Performance are required to attend the following Briefing Session and Rehearsal.		
February / March 2026	Venue Equipment Briefing Session	Online / On-site briefing session about the stage equipment and facilities
30 March 2026 (Monday) and/ or 31 March 2026 (Tuesday)	Rehearsal (Auditorium, Sha Tin Town Hall)	Rehearsal on stage
31 March 2026 (Tuesday)	Final Performance (Auditorium, Sha Tin Town Hall)	Rehearsal and public performance of the creative works

※ The organiser reserves the rights to adjust the arrangement and the schedule above if necessary.

3. Details

- Each school can send one school team to participate in either **Group 1 (Electronic Music and Authentic Musical Instruments)**¹ or **Group 2 (Authentic Musical Instruments)**. Each school can also send not more than two school teams, with different students, to participate in **Group 1 (Electronic Music and Authentic Musical Instruments)** and **Group 2 (Authentic Musical Instruments)** respectively. The entry of each team should be different.
- Each entry should comply with the requirements stated in **Annex 3**.
- All participants, including composers and performers, should be the students of the participating school.
- A subsidy of \$400 for the preparation cost will be given to each participating school team in the Final Selection round. An additional subsidy of \$400 will be given to each selected school team for the Final Performance.

(Address: Room W325, 3/F, West Block, EDB Kowloon Tong Education Services Centre, 19 Suffolk Road, Kowloon)

GalaMusica • School Creative Works 2026 (Primary)**Submission of Creative Work (Final Selection)**

1. Participating school teams are required to video-record the performances of their creative works according to the following requirements:
 - a) The recorded performance must be a complete performance;
 - b) The shooting angle must include all the performers and props (if any). The entire performance must be recorded with a static shot, and the video-recording equipment must not be moved during the video shooting;
 - c) The video-recording must be unedited and without any post production;
 - d) The video-recording must be in MP4 format with clear sound and vision; and
 - e) The video-recording must be submitted with (i) the signed original copy of the Declaration and Consent Slip, (ii) the programme notes in PDF format (about 150 to 200 words, either in Chinese or English), and (iii) the music score(s) and/ or tablet screen recording (if the music is a pre-recorded music).

2. Schools must submit the video-recording of the performance, the signed original copy of the Declaration and Consent Slip, the programme notes and the music score(s) on or before 21 January 2026 (Wednesday) through one of the following methods:
 - a) Upload to a cloud drive, such as Microsoft OneDrive, and email the link to Curriculum Development Officer (Music)2 (rebeccakylam@edu.gov.hk); or
 - b) Submit the information to the office of the Arts Education Section in person.
(Address: Room W325, 3/F, West Block, EDB Kowloon Tong Education Services Centre, 19 Suffolk Road, Kowloon)

GalaMusica • School Creative Works 2026 (Primary)

Requirements of the Creative Work

Group 1	Electronic Music and Authentic Musical Instruments
Name of the Creative Work and the Theme	Given by the participating school team
Performance Duration	2 to 4 minutes
Total Number of Performers on Stage	10 to 30 students
Entry Requirements	<ol style="list-style-type: none"> 1. The creative work should be the original work created by students; 2. The creative work should be performed by electronic music and authentic musical instruments. The work must follow the following requirements: <ol style="list-style-type: none"> i) Each participating school team is only allowed to use the built-in instruments and features in a designated music application—GarageBand—for live performance <u>and/ or</u> playing pre-recorded music. <u>A maximum of 10 tablets</u> may be used for both live performance and playing pre-recorded music; and ii) It is required to incorporate both the electronic music component and the authentic musical instruments playing in the performance, and/ or sounds created by different mediums. 3. The creative work should adopt different music elements, such as dynamics, rhythm, tempo, etc. with appropriate changes to express the ideas. The melodic motive should be developmental, e.g. melodic phrases can be connected to form a section; and 4. The creative work should have a complete and clear structure. The electronic music and authentic musical instruments components should be smoothly and meaningfully integrated.
Points to note	<ol style="list-style-type: none"> 1. The creative work should be a music-oriented work, with the support of using multimedia and dance/ body movement. Participating school teams should avoid focusing on storytelling, as well as using non-musical elements. 2. The ideas of the creative work should be expressed through music primarily. It should not adopt words and lyrics, such as dialogue, speech, <i>bailan</i> and singing, etc. in the performance. 3. The selected participating school teams <u>must bring their own tablets</u> for the Final Performance and may need to adjust the design and content of the electronic music part to accommodate the venue and equipment limitations.

Group 2	Authentic Musical Instruments
Name of the Creative Work and the Theme	Given by the participating school team
Performance Duration	2 to 4 minutes
Total Number of Performers on Stage	10 to 30 students
Entry Requirements	<ol style="list-style-type: none"> 1. The creative work, including music, should be the original work created by students; 2. The creative work should be performed by authentic musical instruments; 3. The creative work should be performed by different types of instruments and/ or sounds created by different mediums; 4. The creative work should adopt different music elements, such as dynamics, rhythm, tempo, etc. with appropriate changes to express the ideas. The melodic motive should be developmental, e.g. melodic phrases can be connected to form a section; and 5. The creative work should have a complete and clear structure.
Points to note	<ol style="list-style-type: none"> 1. The creative work should be a music-oriented work, with the support of using multimedia and dance/ body movement. Participating school teams should avoid focusing on storytelling, as well as using non-musical elements. 2. The ideas of the creative work should be expressed through music primarily. It should not adopt words and lyrics, such as dialogue, speech, <i>bailan</i> and singing, etc. in the performance. 3. To encourage the use of authentic musical instruments, participating school teams should not use synthesizers and tablets to play virtual instruments (except electronic pianos and digital pianos), and should not play pre-recorded clips in the performance.
