

# How to Craft a Vivid Character?

## S.T.E.A.L. - the five elements of indirect characterisation

### Topic

You are taking a creative writing workshop and you have to submit the following assignment:

*Imagine you are a university student living in a student hall. Your roommate has suddenly decided to leave.*

*Write a short story describing the events that led up to your roommate's sudden departure.*

Writing topic taken from Paper 2 of the 2014 HKDSE English Language Examination ©HKEAA

The topic requires the first-person narrative, so you need to think from the narrator's perspective (i.e. "I") on the roommate.

### Speech

- How did he/she speak?

Expressions for introducing speech:
