Part 1 Introduction to the Learning Progression Framework (LPF)
Part 2 Using the LPF to Enhance the Learning and Teaching of Speaking Skills
Part 3 Using the LPF to Enhance the Learning and Teaching of Listening Skills

Objectives

✐ To introduce the **Learning Progression Framework (LPF)** for English Language as a reference tool to give constructive feedback and improve students' **speaking** and **listening skills** at primary level;

✐ To provide **suggestions for teachers** to improve students' speaking and listening skills by **designing appropriate learning tasks and activities**; and

✐ To inspire teachers with **hands-on activities on designing/revising learning tasks and activities** to improve students' speaking and listening skills

What is the Learning Progression Framework (LPF)?

The LPF:

- **represents the growth of learners on a developmental continuum as they work towards the Learning Targets and Objectives of the English Language curriculum;**

- **is made up of Attainment Milestones organised under the four language skills and divided into eight levels of attainment;**

- **helps teachers better understand and articulate learners' performance; and**

- **helps teachers plan strategically how to enhance English Language learning, teaching and assessment.**

Level	Learning Outcomes
8	…………
7	…………
6	…………
5	…………
4	…………
3	…………
2	…………
1	…………

What are the purposes of developing the LPF?
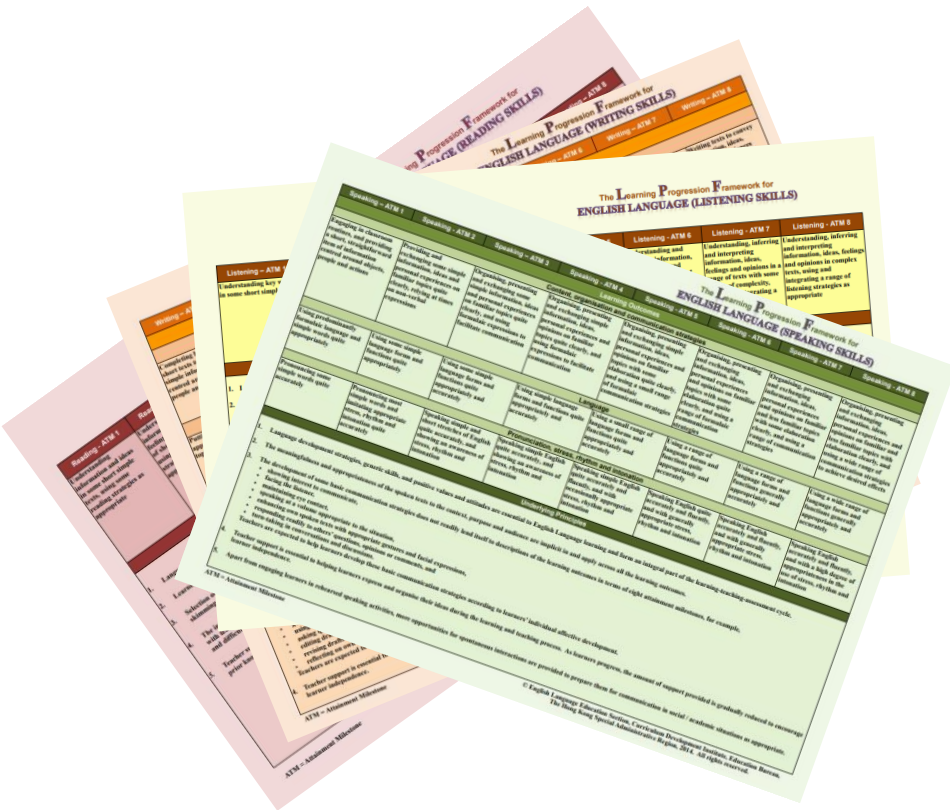

✓ To provide reference for understanding students' learning progress

✓ To plan and review

✓ To help students progress along the learning continuum

✗ Not for summative assessment / Benchmarking students

The Structure of the LPF for English Language

Attainment Milestones (ATMs) organised and presented under the four language skills

ATMs for each language skill expressed in the form of **outcome statements** (a general description of learner performance)

Pointers provide specific examples of what learners are able to do in demonstrating the LOs.

Exemplars illustrate the expected student performance.

Underlying Principles

1. Language development strategies, generic skills, and positive values and attitudes are essential to English Language learning and form an integral part of the learning-teaching-assessment cycle.

2. The meaningfulness and appropriateness of the spoken texts to the context, purpose and audience are implicit in and apply across all the learning outcomes.

3. The development of some basic communication strategies does not readily lend itself to descriptions of the learning outcomes in terms of eight attainment milestones, for example,
   - showing interest to communicate,
   - facing the listener,
   - maintaining eye contact,
   - speaking at a volume appropriate to the situation,
   - enhancing own spoken texts with appropriate gestures and facial expressions,
   - responding readily to others' questions, opinions or comments, and
   - turn-taking in conversations and discussions.
   Teachers are expected to help learners develop these basic communication strategies according to learners' individual affective development.

4. Teacher support is essential to helping learners express and organise their ideas during the learning and teaching process. As learners progress, the amount of support provided is gradually reduced to encourage learner independence.

5. Apart from engaging learners in rehearsed speaking activities, more opportunities for spontaneous interactions are provided to prepare them for communication in social / academic situations as appropriate.

ATM = Attainment Milestone

The LPF for English Language (Speaking) – Underlying Principles

1. **language development strategies**, **generic skills**, and **positive values and attitudes** (all 4 skills)

2. meaningfulness and appropriateness of the texts to the **context**, **purpose** and **audience** (Speaking and Writing)

3. development of some **basic communication strategies** (e.g. showing interest to communicate, facing the listener, maintaining eye contact, speaking at a volume appropriate to the situation, etc.)

4. the provision of support and the need to encourage **learner independence** (all 4 skills)

5. provision of rehearsed speaking activities and **spontaneous interactions**

Using the LPF to Enhance the Learning and Teaching of Speaking Skills

The LPF provides a common scale and language for teachers to describe students' performance and progress in English Language learning.

In the group discussion task about favourite places in HK, most of my students attained ATM 3 in Content, Organisation and Communication Strategies.

They could give simple description about their favourite place. Some of them could make simple evaluation remarks in response to their classmates' questions.

They could produce simple phrases and …

Most of my students are at ATM 2 in Content, Organisation and Communication Strategies.

They could only give simple information about their favourite place.

How about your students' performance in language and pronunciation?

Using the LPF to Enhance the Learning and Teaching of Speaking Skills

Curriculum planning - conduct **holistic curriculum review and planning across year levels** to ensure **progressive development** of students' speaking skills in **content, organisation and communication strategies**, **language**, and **pronunciation, stress, rhythm and intonation**.

What are the **strengths** and **weaknesses** of students? What is the **next level of attainment** for students?

How can the **basic communication strategies** be incorporated into the curriculum?

Does the curriculum **provide a variety of speaking activities** to help students develop different aspects of speaking skills **progressively**?

Questions for reflection

Are **learning objectives** and **assessment criteria** shared with students?

How can teachers **improve the design of speaking activities** to enhance students' strengths and address their weaknesses?

Do the speaking activities involve **peer assessment / self-assessment**?

etc.

Using the LPF to Enhance the Learning and Teaching of Speaking Skills

Curriculum planning - design **a range of meaningful speaking tasks** in accordance with the themes of the teaching units / reading workshops to develop students' speaking skills, e.g.

Game Guessing the Food (KS1)	**Pair exchange** Favourite Seasons and Festivals (KS1)	**Reading aloud** (KS2)	**Question and answer** About Tigers (KS2)
Students in groups make guesses about the food drawn on their own headbands by asking other group members simple questions.	Students in groups of two participate in a pair exchange talking about their favourite seasons and festivals.	Students read aloud a short extract from a storybook.	Students are asked to express their ideas and feelings about animals after reading an information text about tigers.
Presentation My Dream Job (KS2)	**Show-and-tell** Introducing a Model of the Neighbourhood (KS2)	**Role-play** The Ant and the Grasshopper (KS2)	**Group discussion** Favourite Places in HK (KS2)
Students give a simple presentation on their dream job in front of the class.	Students participate in a show-and-tell activity introducing a model of their own neighbourhood to the audience.	Students in groups of six rewrite the fable 'The Ant and the Grasshopper' in the form of a script and conduct a role-play in front of the class.	Students in groups of four participate in a group discussion talking about their favourite places in Hong Kong.

Creating a Rich Language Learning Environment to Develop Students' Language Skills

Design a whole-school language policy with concerted efforts, e.g.

Encourage students to **interact** with teachers and one another in English outside the classroom

Establish a lively and encouraging school and classroom **atmosphere** through daily routines or practices (e.g. morning reading time, show-and-tell activities, Campus TV)

Organise **English learning activities** (e.g. English Days, English Camps, drama performances, English Ambassadors)

Display print materials in English (e.g. posters, signs, notices) all around the school

Enrich the school library with reading materials of a wide range of subject content and text types

Provide **easy access to reading materials** in different parts of the school

Using the LPF to Enhance the Learning and Teaching of Speaking Skills

Learning, Teaching and Assessment

(2) Setting task-specific assessment criteria and designing speaking activities to help students attain the target learning outcomes (ATMs)

LPF Listening Exemplar – Joining the Basketball Team

Activity 4 – Listen to a conversation between Tom and the basketball team leader. Review the question intent in respect of the development of **listening skills and Strategies**. Decide **the ATM level and pointers** that students can achieve.

Task Description

In this listening activity, students listened to a conversation between Tom and the basketball team leader. They then filled in an application form.

Preparation

Before the listening activity, the teacher asked them to share their experience of filling in a form, e.g. applying for a library card or membership of a club. Then the teacher guided students to predict the information they need to fill in for joining the basketball team by asking the following questions:

1. What school club or interest class have you joined?
2. Did you need to fill in an application form?
3. What information do you need when you fill in an application form?

Tom wants to join the basketball team. The team leader is helping him fill in an application form. Listen to the conversation and complete the form. **Circle the answer** or **fill in the information**.

LPF Listening Exemplar – Survey on Favourite Cartoons

Activity 5 – Listen to an interview between Billy and Sarah about her favourite cartoon. **Suggest ways** to provide support to students **before** and **during** the listening activity.
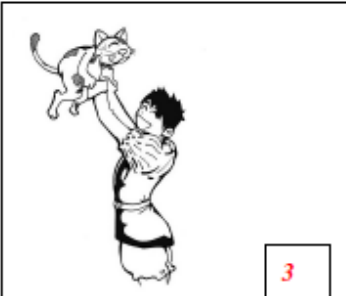

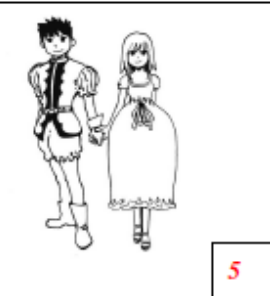

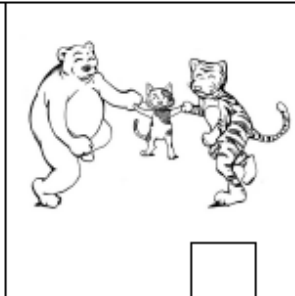

A Survey on Favourite Cartoons

Task Description

In this listening activity, students listened to an interview between Billy and Sarah about her favourite cartoon. They then filled in a survey form.

Preparation

Before the listening activity, the teacher aroused students' interest in cartoons and helped them predict the setting and characters of the cartoon by asking the following questions:
– Do you like watching cartoons?
– Which is your favourite cartoon?
– What is it about?

Billy is doing a survey on the favourite cartoons of his class. Listen to the questions he asks Sarah and fill in the survey form.

A Survey on Favourite Cartoons
Survey Form

1. What is your favourite cartoon? *The Ugly Cat*	L2 • locate key words in the text, e.g. 'The Ugly Cat'

2. What is the cartoon about?
(Write Numbers 2 to 5 in the correct boxes. Number 1 is given as an example.)

L2
• follow narrative texts by recognising key words and phrases, e.g. 'All the animals laugh at the cat', 'plays happily with it', 'feeds the cat with milk', 'turns into a beautiful lady'

3. Which character do you like most? Why?

☐ a. the cat

I like ☑ b. the prince

☐ c. the cat's friends

because *he is kind and friendly to the cat/he is nice.*

L3
• extract specific information in texts by
  - identifying relevant meaningful chunks, e.g. 'He's kind and friendly to it.'
  - using knowledge of simple cohesive devices, e.g. the pronouns 'he' and 'it' to refer to the prince and the cat respectively

• understand Sarah's feelings by using semantic clues, e.g. 'I think he's nice!'

Tapescript

Narrator:	Billy is doing a survey on the favourite cartoons of his class. Listen to the questions he asks Sarah and fill in the survey form.
Billy:	Good morning, Sarah.
Sarah:	Good morning, Billy.
Billy:	I'm doing a survey on our classmates' favourite cartoons. May I ask you some questions?
Sarah:	Sure!
Billy:	What's your favourite cartoon?
Sarah:	I enjoy *The Ugly Cat* most.
Narrator:	Now answer Question 1.* (5-second pause)
Billy:	What's the cartoon about?
Sarah:	It's about an ugly cat. It wants to go to Fairyland to see the prince. All the animals laugh at the cat because it's silly and ugly. But the ugly cat does not care about what they say. It goes to Fairyland and meets the prince. The prince is very kind and always plays happily with it. One day, when the prince feeds the cat with milk, it suddenly turns into a beautiful lady.
Billy:	Why do you like the cartoon?
Sarah:	It has a happy ending. In the end, the young lady and the prince get married and live happily in Fairyland.
Narrator:	Now answer Question 2. Write Numbers 2 to 5 in the correct boxes.* (20-second pause)
Billy:	What do you think of the characters?
Sarah:	The cat's friends are unkind. They laugh at the cat. Luckily, the prince likes the cat. He's kind and friendly to it. I think he's nice!
Billy:	Do you think other classmates should watch it?
Sarah:	Yes. They shouldn't miss such a good cartoon!
Billy:	That's all I want to ask. Thank you for your help.
Narrator:	Now answer Question 3.* (10-second pause)
Narrator:	That's the end of the listening task.

Support before the listening

Suggestions

Lack of experience in doing surveys

- Expose students to examples of surveys, e.g. a survey on health and daily life habits.
- Guide students to glance through the questions and predict answers.

Ask students to **predict the interview questions and answers**.

Unfamiliar with the features of narrative texts

- Activate students' prior knowledge by asking them to share their favourite cartoon programmes, including the name of the programme, characters and unforgettable stories.
- Ask students to share the cartoon characters they like best.

Get students familiar with the **text features**, e.g. characters, plot, problem, ending.

Support during the listening

Remind students to pay attention to the **key words and phrases** to choose the correct picture.

Weak at noting down reasons

- Remind students to note down the key words only, not every word they hear in the audio file.
- They can complete the sentence when they have time to tidy up the answer.

Provide **language support** for students to complete the sentence.

Steps in Improving Students' Listening Skills at KS2 with Reference to LPF

Plan

- Analysing students' performance in listening assessment papers

- Observing students' performance in daily assessment tasks, e.g. dictation, listening activities

Strategy

- Providing language support and background information when the context is less familiar to students

- Providing opportunities for students to do simple note-taking

- Encouraging students to justify their choices

Evaluation

- Providing diagnostic feedback to students

- Making adaptations to the existing listening materials to suit students' learning needs

Steps in Using the LPF to
Enhance Students' Speaking and Listening Skills

2. Identify the **requirements** for each task/the **question intent** of each item with reference to the LPF.

2. Develop a **task-specific feedback sheet** to provide constructive feedback to students.

3. Develop students' **speaking/listening strategies** in an integrative manner, e.g.

   ➢ engaging students in **task-based learning activities** to interact and share information
   ➢ providing **background information** and **language support** for students to approach less familiar topics
   ➢ strengthening students' **phonics skills** in decoding less familiar words
   ➢ guiding students to use **mind maps** to organise/note down ideas
