

# Exploring the Use of Artificial Intelligence for Self-directed English Language Learning

English Language Education Section & Native-speaking English Teacher Section  
Curriculum Development Institute  
Education Bureau  
Mar 2025

# Development directions of AI in education

System-facing AI (tools designed to support **educational management**)

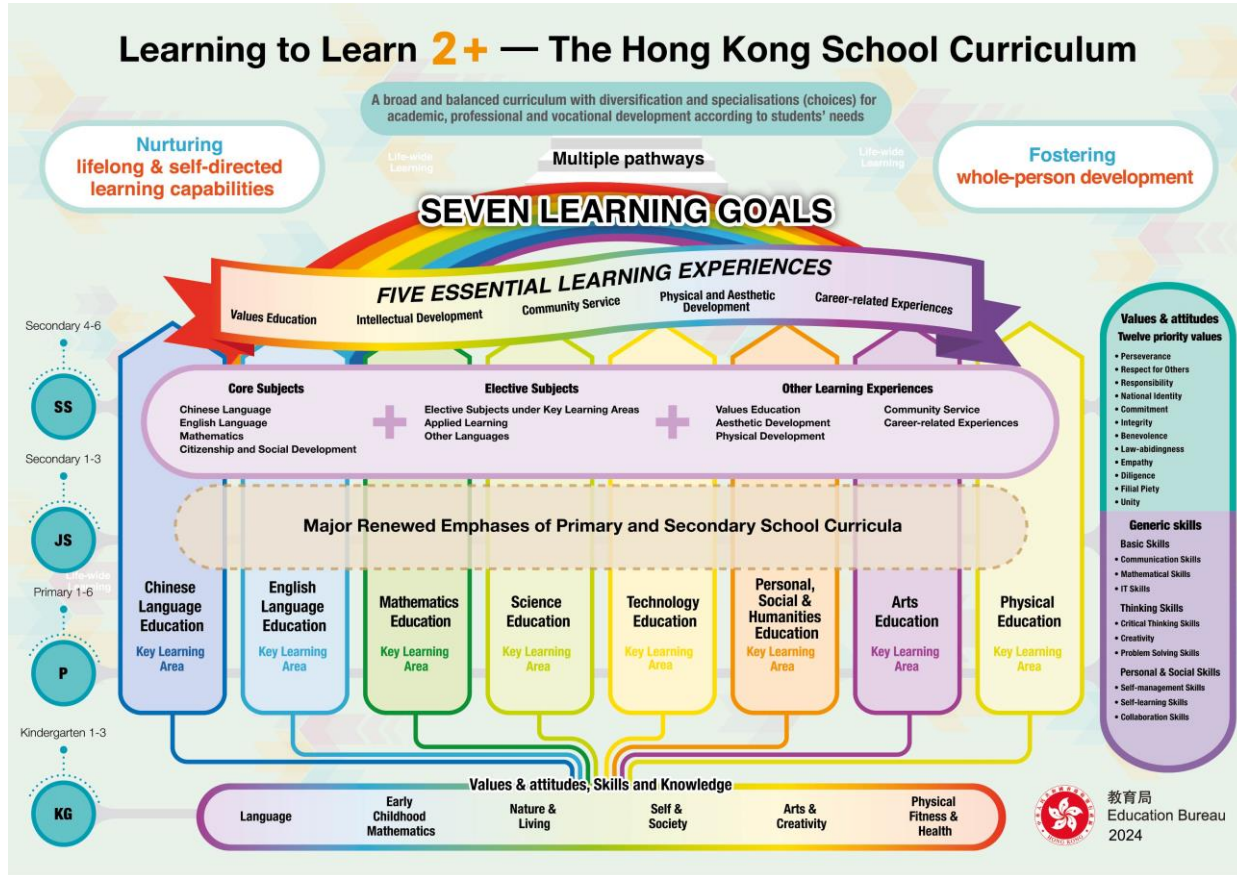

Teacher-facing AI (tools designed to support **teaching and pedagogy**)

Student-facing AI (tools designed to support **learning and assessment**)

Using AI

Using AI  
to learn  
effectively

# Setting the Scene – Learning to Learn 2+

Key questions:

- Where is **self-directed learning**?
- Where is **artificial intelligence**?
- How are these related to the **English Language** subject?
- What are **other related aspects** in the curriculum?
- Seven Learning Goals
- Five Essential Learning Experiences

**Making cross-curricular links**

# What to learn: ASK

**A**

## **Values and attitudes**

Instilling in students proper values and attitudes

**S**

## **Skills**

Developing students' generic skills

**K**

## **Knowledge**

Building students' broad and solid knowledge base

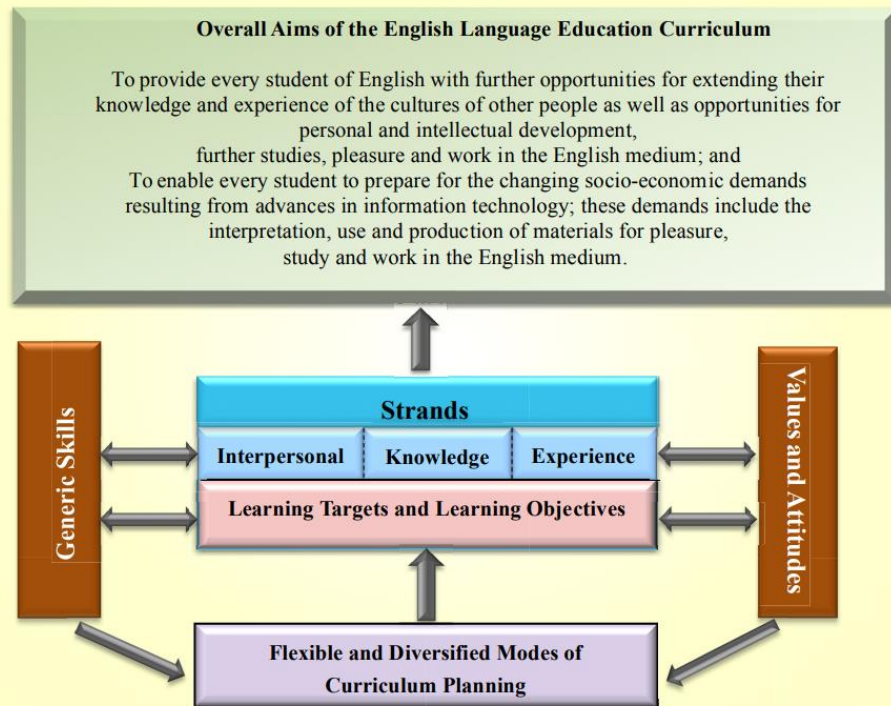

# What to learn: ASK

## English Language Education Curriculum Framework

K

### Knowledge

Building students' broad and solid knowledge base

# What to learn: ASK

## Nine Generic Skills

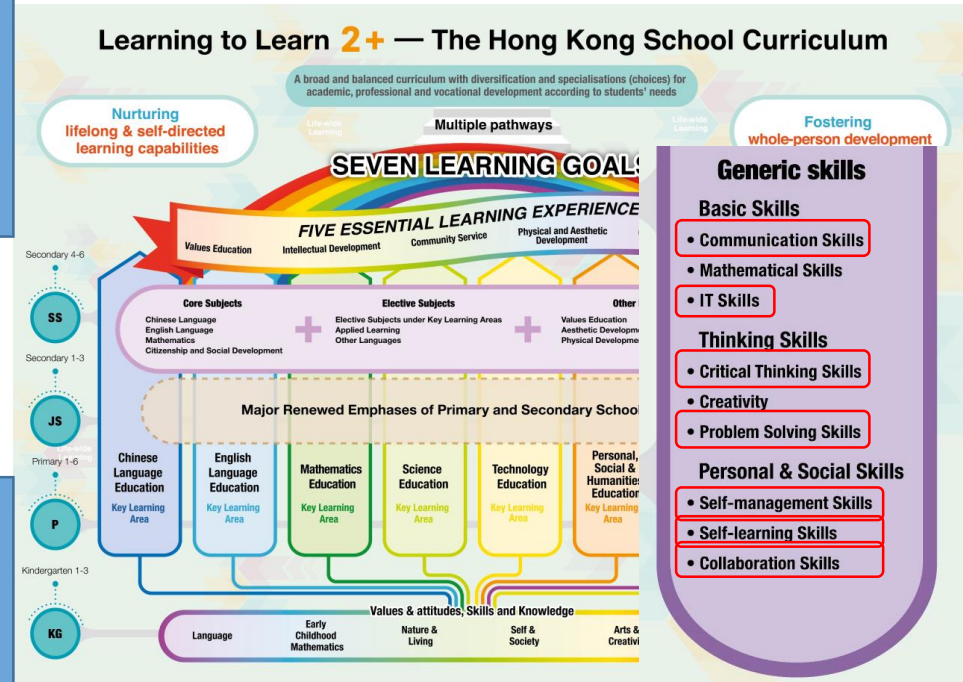

S

### Skills

Developing students' generic skills

### Knowledge

Building students' broad and solid knowledge base

# What to learn: ASK

## Media and Information Literacy Education

Other relevant  
components:

Integrity

Law-abidingness

Healthy Lifestyle

Priority Values

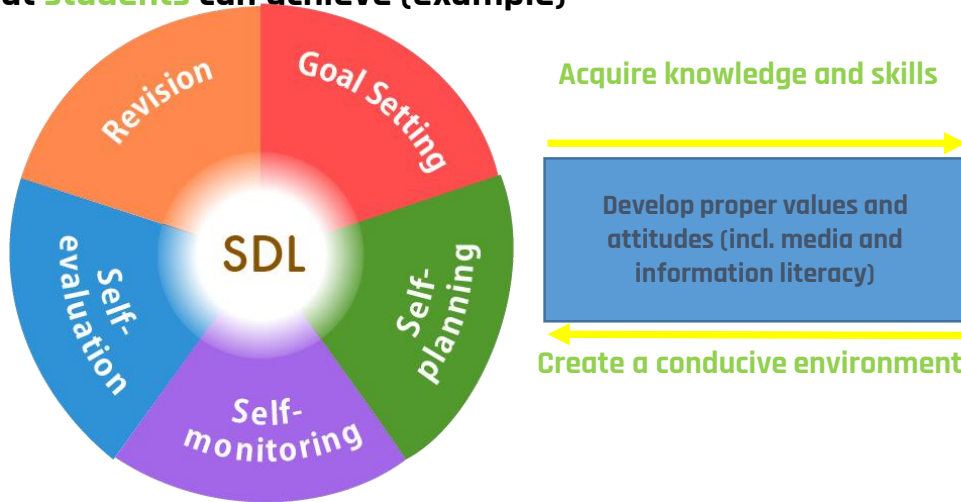

## Values Education Curriculum Framework

## Exploring the Use of Artificial Intelligence for Self-directed Language Learning

### Plenary Session

Dr Kevin Yung,  
Associate Professor,  
HKEdU

### School Experience Sharing

1. C. C. C. Kei Faat Primary School
2. Diocesan Boys' School Primary Division
3. Tin Shui Wai Government Secondary School
4. Ying Wa College  
(in alphabetical order)

### Panel Discussion

#### Remarks:

1. **No specific apps/platforms are promoted.** Schools are advised to select suitable learning tools and materials.
2. Experiences shared by schools are for reference. They are **not exhaustive** nor are they the only ways to enhance student learning.

- Align with **curriculum aims and objectives**
- Cater for students' **abilities and learning needs**

# Concluding remarks

**Why** do we **integrate AI** into English Language learning?

**What** is the **role of teachers**?

- through pedagogical interventions
- within/beyond the classroom

**How** can AI tools **support students** in achieving the learning goals and enhancing their self-directed learning capability?

# Concluding remarks

A

Pedagogical approaches and materials should:

- align with **curriculum aims and objectives** according to relevant curriculum guides; and
- cater for the **abilities and learning needs** of students.

S

K

Nurturing  
**lifelong & self-directed  
learning capabilities**

Becoming **responsible** and **ethical**  
users of information and information  
technology

Fostering  
**whole-person  
development**

# One-off Grant for Promotion of Self-directed Language Learning (English Language)

- **EDBCM No. 210/2024** (English Language and Putonghua)
- Grants disbursed to schools on **19 Dec 2024**
- **Briefing sessions in Jan 2025** on the use of the One-off Grants and self-directed learning (presentation materials are accessible by the QR codes below)

Primary Session

Secondary Session

# AI PDPs for English teachers 2024/25 and beyond

Seminar on Exploring the use of Artificial Intelligence for Self-directed Language Learning  
(21 Mar 2025)

## Primary

Exploring **AI** Series: (1)  
Enhancing Students' **SDL**  
Capabilities and English  
**Listening and Speaking** Skills

Exploring **AI** Series: (2)  
Enhancing Students' **SDL**  
Capabilities and English  
**Reading and Writing** Skills

Developing Students' Self-  
directed Learning Capabilities:  
**Exploring the use of Artificial**  
**Intelligence (AI)** in the Secondary  
English Classroom

## Secondary

Exploring **AI** Series: (3)  
Enhancing Students' **SDL**  
Capabilities and English  
**Listening and Speaking** Skills

Exploring **AI** Series: (4)  
Enhancing Students' **SDL**  
Capabilities and English  
**Reading and Writing** Skills

Developing Students' Self-  
directed Learning Capabilities:  
**Exploring the use of Artificial**  
**Intelligence (AI)** in the Primary  
English Classroom

“Technology will never replace great teachers,  
but technology in the hands of  
great teachers can be transformational.

”

- George Couros
