

George and your teacher always go to Chung Fu Shopping Centre. Listen to what they say about the shops in the shopping center and put a "✓" in the correct boxes.

First listen to what George says about the shops in the shopping centre and put a "✓" in the correct boxes.

George: There are two stationers.  
There are many schools near the shopping centre.  
***I think there are not enough stationers.***

There are seven clothes shops.  
***I think there are too many clothes shops.***

There are two bakeries.  
I can always buy the cakes and bread I like.  
***I think there are enough bakeries.***

There are two Chinese restaurants.  
There are always many people waiting for the tables in the Chinese restaurants.  
***I think there are not enough Chinese restaurants.***

There are two supermarkets.  
There are always many people in the supermarkets.  
***I think there are not enough supermarkets.***

There is one games centre.  
Many children have video games at home.  
***I think there are enough games centres.***
