- Santa, Santa, high in the tree sky
- Come down the street, don't be shy
- Santa, Santa, high in the sky
- Leave a little pencil for me!
- There's a cake for your reindeer
- There's a cup of sherry and a big mince pie
- There's an empty schoolbag waiting
- Come on Santa, don't be shy!
- There's an icy cold wind blowing
- The spaceships are shining in the dark blue sky
- The Christmas fires are glowing
- Come on Santa, don't be shy! Ho! Ho! Ho!
