

Pyramids in Paris (audio script)

Something very strange happened last month.
A naughty, young giant moved all the world's famous landmarks.

People around the world were very confused.

He put the Pyramids in Paris.
"And on your left the ... pyramids?"

He moved the Leaning Tower of Pisa to London.
"Here we can see the famous leaning tower of ... London?"

He swapped the Sydney Opera House with Stonehenge.
"Hey, where are the stones, man?"

When his mum saw the newspaper she was very angry.
"Kevin! Go and put them back in the right place you naughty boy."
"Yes mum."

So don't worry. If you go to London, Cairo, Pisa or Paris today, you'll see all the landmarks in their correct place.
