

Mathematical Modelling Competition for Secondary Students (MMCSS), 2022

A Guide for Participation in MMCSS

1. Before the competition
 - a) Sign up on the IMMC website
Before starting registration for the competition, the participating student needs to have an IMMC account by clicking [sign up](#) first (<http://istem.info/web/retrieve.php>).
Then use the **SIGN UP** button to get started.
 - b) Registration for the competition
Click [here](#) for registering the MMCSS of Junior students (http://istem.info/web/activity_apply.php?activityid=97), or
Click [here](#) for registering the MMCSS of Senior students (http://istem.info/web/activity_apply.php?activityid=98)
After filling in and verify a valid email address as account username, you will receive a verification email inviting you to register:
 - Fill in the basic information of all advisor teachers and students of the team
 - After submission, you will receive a confirmation email with your teams' Control Number;
 - c) Download Control Sheet.
[Log in](#) the competition system (<http://istem.info/web/login.php>)
Click **EVENTS** – Choose event/competition you have registered –
Click **Paper** to download the Control Sheet of your team. (The event's link will be invalid during the contest. So, if you want to download the control sheet during the contest, please follow the alternative step as shown in next part.)
2. During the competition
 - a) Download the question paper.
[Log in](#) the competition system (<http://istem.info/web/login.php>);
Click **My** registration – Click **Paper** – Click **Problem download** to download the question paper;
 - b) Fill in the Control Sheet
The advisor shall ensure that each member of the team (including the advisor) signs the Control Sheet, pledging that they have abided by the contest rules and instructions;
Please submit the completed Control Sheet together with an electronic copy of the solution paper (in PDF format) through the IMMC system.
 - c) Submit the Solution Paper
Name your Solution Paper and Control Sheet with your team's Control Number only;
[Log in](#) the competition system (<http://istem.info/web/login.php>); click **My registration** – Click **Paper** to submit the paper and control sheet;

IMMC will accept only a PDF file as the paper. Please compress your documents into one ZIP file if you have attachment files. The zipped document size should be less than 17MB. Please upload your Control Sheet before submitting the paper.

3. Presentation:

All participating teams who have submitted the solution paper will make presentations on the interview day at the lecture venue and receive the certificates of participation.
