**Curriculum Development Institute  
Application for Participation in Student Educational Activities and Events  
(November 2022)**

(Note: This circular memorandum should be read by heads of all kindergartens, primary and secondary schools)

**Summary**

The purpose of this circular memorandum is to invite kindergartens, primary and secondary schools to participate in the coming educational activities and events organised, co-organised or announced by Curriculum Development Institute, Education Bureau (EDB). When arranging learning activities for students, schools should ensure that the activities are in line with the learning goals and curriculum objectives, the learning needs of students are catered for, and the safety of students and teachers are taken into account. Please refer to the relevant circulars and guidelines issued by the EDB for the points to note in arranging activities.

**Details**

2. The educational activities and events are-

3. Details and Application Forms of the above activities and events are stipulated in the respective Annexes.

4. In addition, the EDB has created the **e-Gallery** website. It not only showcases Hong Kong students' learning achievements in different learning areas and celebrates their outstanding performance in whole-person development, but also provides information on a range of students' learning activities for schools' reference. For details, please visit <https://e-gallery.edb.edcity.hk/en/home/>.

### **Enquiry**

5. In view of the latest development of the Coronavirus Disease 2019 (COVID-19) infection, details of the activities are subject to changes. For enquiries, please contact the respective **contact person** as listed in the respective Annexes.

## Creative Infographic Design Competition on Applications of Mathematics for Primary and Secondary Schools (2022/23)

### Aims / Objectives

This is to invite primary and secondary schools to nominate students to participate in the captioned Competition.

### Details

2. The Creative Infographic Design Competition on Applications of Mathematics for Primary and Secondary Schools is organised by the Curriculum Development Institute, EDB. The aims of the Competition are to promote students' interest in learning mathematics and enhance their awareness of the applications of mathematics in different aspects in real life.

3. To provide schools with details of the Competition, the EDB will hold an online briefing seminar on **15 December 2022 (Thursday)**. The seminar would also include an exhibition of winning entries in the 2021/22 school year, and an experience sharing session by award-winning schools on guiding students in designing infographics. For details of the seminar, please visit the EDB Training Calendar System (Course ID: CDI020230318).

4. Schools may nominate students to participate in the Competition by completing the Application Form (**Appendix 20a**) and returning it to the Mathematics Education Section, Curriculum Development Institute, EDB by mail or fax **on or before 17 February 2023 (Friday)**. The deadline for the submission of students' entries is **5:00 p.m. on 22 March 2023 (Wednesday)**.

5. Please refer to **Appendix 20b** for the form to be submitted together with students' entries. For the regulations of the captioned competition, please refer to **Appendix 20c**.

6. In case of class suspension for schools due to special circumstances, the application deadline and the deadline for submission of entries may be postponed. Other arrangements of the competition may also be changed. Latest information will be updated on the related EDB website (<https://www.edb.gov.hk/en/curriculum-development/kla/ma/res/sa/midc.html>).

Teacher supervisors will also be informed by email through the email addresses provided in the application form.

### Contact Person

7. For enquiries, please contact Ms WONG Mei-ki (primary level) of the Mathematics Education Section, Curriculum Development Institute, Education Bureau on 2153 7453, or Mr CHEUNG Tsz-wai (secondary level) of the Mathematics Education Section, Curriculum Development Institute, Education Bureau on 2153 7470.

## **Creative Infographic Design Competition on Applications of Mathematics for Primary and Secondary Schools (2022/23)**

### **Details**

The captioned competition is organised by the Curriculum Development Institute, EDB. It aims at promoting students' interest in learning Mathematics and enhancing students' recognition on applying mathematics in different aspects in real life. The competition encourages students to design infographics which incorporate the elements of graphs, diagrams, text and mathematical expressions in creative ways to express the real-life applications of mathematics effectively and clearly. Through the competition, students' understanding of the role of mathematics in STEAM would be enhanced. Students are also encouraged to appreciate mathematics in multiple perspectives and develop their creativity and communication skills. Details of the competition are given below:

#### **1. Rules for the Creative Infographic Design Competition on Applications of Mathematics**

- (a) The competition is on individual basis in three categories, namely the Upper Primary Category (Primary 4 to 6), Junior Secondary Category (Secondary 1 to 3) and Senior Secondary Category (Secondary 4 to 6). All upper primary school students and secondary school students who are studying in local primary and secondary schools are eligible to participate in the competition.
- (b) Each school can nominate at most ten students to participate in the competition. Each student may only submit one piece of work which includes an infographic and a short essay.
  - (i) The information conveyed by the infographic must be related to the specific theme of the year. The infographic should express the applications of mathematics under the specific theme clearly and accurately with the aid of graphs, charts, text and mathematical expressions, etc. The targets of the design are to allow general public to understand the applications of mathematics in real life, and to promote the contribution of mathematics in different aspects. **The theme of this year's competition is "Mathematics in Architecture — Demonstrating Mathematics in the Context of Architecture".**

- (ii) The basic specifications of the infographic:

Size	A3 (297mm × 420mm) Maximum size of the file is 10MB
Type of file	jpeg
Resolution	Must have sufficient resolution for clear display of all elements of the infographic, such as text and graphs.
Colour	The number of colour is unlimited
Design	<ul style="list-style-type: none"><li>• Should introduce the applications of mathematics in a specific area and convey related information.</li><li>• Should emphasise the positive influence of mathematics in the specific area.</li></ul>

- (iii) Participants should attach a short essay (either in English or Chinese) along with the infographic, introducing the design concept, content of the infographic, and the message expressed by the infographic and how that message is expressed through the infographic. The short essay should be written in **at most** 150 words for the Upper Primary Category and **at most** 300 words for the Junior Secondary and Senior Secondary Categories, punctuation marks counted in Chinese essays. **Marks will be deducted or the entries will be disqualified if the number of words fails to comply with the requirement.**
- (iv) The short essay must be typeset by computer and submitted in MS Word format or in PDF format fulfilling the following requirements:

Type of the file	doc / docx / pdf
Font type in English	Times New Roman
Font type in Chinese	PMingLiu (新細明體) or MingLiu (細明體)
Font size	12
Line spacing	Double line spacing

The short essay must be composed in text only and mathematical expressions may also be included. **Handwritten short essays or their scanned copies will not be adjudicated.**

- (c) The content of the infographic and short essay **should not contain any identifications of the participant**, such as the school name and the name of the teacher supervisor, etc. **Otherwise, marks may be deducted.**
- (d) Each participant and his/her parent/guardian have to sign the Declaration and Consent Form in **Appendix 20b** to declare that both the infographic and short essay are the original work of the participant, and have never been previously submitted to this competition or other open competitions. The details of sources of all reference information, including tables and diagrams, if quoted in the infographic or short essay, must be indicated clearly as an appendix to the short essay. The details of the sources should include information such as the names of the books and their authors, or the URLs of websites. The entry will be **disqualified or will not be adjudicated** if the infographic and short essay fail to comply with the requirements.
- (e) Each participating school should submit all the entries (including the infographics and the short essays) and the Declaration and Consent Form (**See Appendix 20b**) of each participant together through email to [cdoma3@edb.gov.hk](mailto:cdoma3@edb.gov.hk) via the email address of the teacher-in-charge by **5:00 p.m. on 22 March 2023 (Wednesday)**.
- (i) The file name of the infographic and short essay must be formed by the name of the school and student plus “\_graph” and “\_essay” respectively (e.g. *Pri\_ABC School\_LiSiuMing\_graph.jpg* and *Pri\_ABC School\_LiSiuMing\_essay.doc*; *Sec\_EFG College\_ChanTaiMan\_graph.jpg* and *Sec\_EFG College\_ChanTaiMan\_essay.doc*).
- (ii) The signed Declaration and Consent Form should be scanned and saved in PDF format, with the name of school and student as the file name (e.g. *Pri\_ABC School\_LiSiuMing.pdf* and *Sec\_EFG College\_ChanTaiMan.pdf*).
- (iii) The Declaration and Consent Form can be downloaded from the website of the Creative Infographic Design Competition on Applications of Mathematics for Primary and Secondary Schools:  
<https://www.edb.gov.hk/en/curriculum-development/kla/ma/res/sa/midc.html>
- (f) Schools may also submit DVDs or USB flash memories containing all the electronic versions of infographic(s), short essay(s) and Declaration and Consent Form(s) in an envelope **by hand** to the Mathematics Education Section, Curriculum Development Institute, EDB by **5:00 p.m. on 22 March 2023**

**(Wednesday).** The envelope should indicate “Creative Infographic Design Competition on Applications of Mathematics (2022/23)” on the cover.

**(g) Online nomination form**

In addition to the electronic versions of infographic(s), short essay(s) and Declaration and Consent Form(s) to be submitted through email or by hand, the teacher-in-charge is required to represent the participating school to complete and submit an online nomination form (Website: <https://forms.gle/1zufJMwy9259jbzG7>) **on or before 5:00 p.m. on 22 March 2023**

**(Wednesday).** The online nomination form requires the basic information of the school and the teacher-in-charge, the information sheet of each entry.

The information sheet includes the title of the infographic and short essay, and the personal information of teacher supervisor and participants. **It is recommended that teacher-in-charge should**

**reserve enough time to complete and submit the online nomination form.**

- (h) Submitted infographics and short essays cannot be amended. Only the first submitted version will be adjudicated.
- (i) Late submissions will not be adjudicated.
- (j) After the infographics and short essays are received through email or by hand, and the online nomination form is submitted successfully, the Education Bureau will issue an email of acknowledgement to the teacher-in-charge by **24 March 2023 (Friday)**.
- (k) The winners of the competition for each category may be invited to give brief presentations in the Award Presentation Ceremony. The Award Presentation Ceremony will be videotaped and photo-taken. All the videos recorded and photos taken in the Award Presentation Ceremony will be used for promoting the competition or other education initiatives by the EDB.
- (l) The Education Bureau reserves the right to publish in full or part of the students' works, videos recorded and photos taken in the Award Presentation Ceremony. All infographics and short essays will not be returned.
- (m) The decision of the Organising Committee for the Creative Infographic Design Competition on Applications of Mathematics is final.

## 2. Adjudication of the Competition

The panel of judges comprises scholars in tertiary institutions, experienced primary and secondary teachers, and representatives from the Education Bureau. All entries will be assessed according to the following criteria:

- (a) whether the infographic can effectively convey accurate and appropriate information related to the theme of the competition, and highlight the positive impact of the applications of mathematics in the area(s) related to the theme;
- (b) whether the infographic is creative and able to exhibit students' generic skills, such as communication skills and creativity;
- (c) whether the presentation of the infographic is systematic, concise and attractive;
- (d) whether the mathematical content of the infographic is appropriate and relevant to the theme of the competition; and
- (e) whether the content of the short essay can effectively explain the concept of the infographic design and the arrangement of content.

## 3. Prizes of the Competition

There are Gold Award, Silver Award and Bronze Award for each of the Upper Primary Category, Junior Secondary Category and Senior Secondary Category respectively. There can be multiple winners for each award. The prizes of each award are as follows.

Awards for each Group	Prizes
Gold	Trophy, certificate of merit and HK\$300 book coupon
Silver	Certificate of merit and HK\$200 book coupon
Bronze	Certificate of merit and HK\$100 book coupon
Good Performance	Certificate of merit
