Aims / Objectives

This is to invite primary and secondary schools to nominate students to participate in the captioned activity.

Details

2. To further engage students in developing an active and healthy lifestyle, the Education Bureau (EDB) has launched the “Active Students, Active People” (“ASAP”) Campaign to rally the concerted efforts of schools, families and different stakeholders in society for promoting an optimised sports atmosphere in schools and encouraging students to engage in regular exercises as soon as possible.

3. In the 15th National Games (NG), the Hong Kong Men’s Handball Team performed exceptionally well, advancing to the semi-finals and showcasing the resilience and unity of Hong Kong athletes during the qualifying period. The “ASAP” Campaign was delighted to invite members of the Hong Kong Men’s Handball Team to the “Sharing Session by Elite Athletes cum Handball Exchange Demonstration” held on 15 May 2026 (Friday) at La Salle College. At the session, they will share their valuable experiences of participating in the NG with students, encourage them to develop proper values and attitudes, including perseverance, diligence, unity and the willingness to accept challenges. They will also conduct an exchange demonstration with students on-site to enhance their understanding and interest in handball, encourage them to engage in regular exercises, and promote a sporting ambience in schools. For enrolment details, please refer to Appendix 11a.
