Step 4: Take "Template" as an example and choose "Venn diagram".

Venn diagram template

Step 5: Start recording. Audio narration is available while typing. The teaching process will be recorded.

A drawing function can be used during recording.

To delete a specific part of the recording, click "Selection" and select the area to be deleted on the track, and then click "Delete and Compact".

Step 6: After the recording is completed, choose "Create Web Video Link".

Step	7:	Copy	the	Web	Video	Link	and	press	"Done	"
