MOBILE LEARNING AND THE DEVELOPMENT OF FIELDWORK SKILLS:

(1) User Manual on developing fieldwork resources with EduVenture®

The Chinese University of Hong Kong
Centre for Learning Sciences and Technologies

Step 2: Choose EduVenture® Composer on the website for editing the fieldwork resources.

For data collection during field trips.
Step 3: Familiarise with the interface of EduVenture® Composer

- **Choose the scale of the map**
- **Choose the map type**
- **Show the teaching materials in your account**
- **Create a new LOCALE**

For retrieving the collected fieldwork data and evaluating the learning results.
Step 4: Create a new LOCALE

1. Enter the name of the fieldwork
2. Enter the description of the fieldwork
3. Choose the language/public share/color
4. Choose the area of the fieldwork
5. Upload a cover image
6. Choose to publish your work
7. Choose the Key Learning Area
Step 5: Set the area of the fieldwork

Step 6: Add and edit hotspots, and then add questions
e-Learning in Geography Series (16): Mobile Learning and the Development of Fieldwork Skills

Step 7: Add hotspots

Step 8: Edit hotspots
Step 9: Choose the question type, and then type in your fieldwork questions.
