# Physical characteristics (1)

---

**Located in Eastern Asia, bounded by the Pacific east**

**China's land surface slopes from west to east and can be divided into three zones:**

**1. The Qinghai-Tibet-Plateau (青藏高原)**

- Average altitude of over 4,000 m
- The greatest highland area of the world -- the "Roof of the World"

## Physical characteristics (2)

---

### 2. Begin from the East of the Kunlun Mountains (崑崙山脈)

- Average altitude of 1,000--2,000 m.
- The Tarim Basin (塔里木盆地)
- The Loess Plateau (黃土高原)
- The Sichuan Basin (四川盆地)
- The Yunnan Guizhou Plateau (雲貴高原)

## Physical characteristics (3)

---

3. Begins at a line drawn around the Greater Hinggan (大興安嶺), Taihang mountain (太行山), Wu mountain (巫山) and Xuefeng mountain (雪峰山) ranges and extends eastward to the coast.
- About 500-1,000 m in elevation
  - Traditionally been the agricultural region of the country
  - Where Chinese culture and civilization developed, and it is today the most densely populated area.

# Physical characteristics (4)

---

## Rivers

- The Yellow River (黃河) : 4,848 km in length
- The Changjiang (長江) : 5,983 km in length

# Physical characteristics (5)

---

## Climate :

- Extremely diverse
- Tropical in south to subarctic in north

## 6 major climate zones by temperature

- Tropical zone (熱帶；海南、廣東)
- Subtropical zone (亞熱帶；湖南、江西)
- Warm temperate zone (暖溫帶；北京、山東)
- Temperate zone (中溫帶；遼寧)
- Cold temperate zone (寒溫帶；黑龍江、內蒙古)
- Qinghai-Tibet Plateau temperate zone (青藏高原區；西藏、青海)

# Tourism Characteristics

---

- Includes scenic spots and historical sites, spectacular landscapes, and colorful and varied national customs
- Chinese culture is the dominant attraction
- Chinese music, dance and opera, and the culture and customs of ethnic minorities are treasure stores of tourism resources

# Tourism Development (1)

---

Modern tourism in China sprang up in the early 1950s

Since the initiation of the policies of reform and opening to the outside world in 1978, China's tourism has entered a stage of rapid development

# Inbound Tourists Sources (2001-2018)

Figure 1-4 Source countries for inbound tourism 2001-2018  
[Data source: National Bureau of Statistics]

## Tourism Development (2)

---

- Now, China has become an important tourism destination in Asia, and the fourth large tourism country in the world
- It is estimated that, by 2030, China will be the world's No. 1 tourism destination.

# Major destinations

---

- Beijing
- Shanghai
- Hangzhou
- Hainan
- Xian

# Beijing

---

Beijing is the capital of the People's Republic of China.

**Beijing Location** - Beijing is situated at 40 degrees north latitude and 116 degrees of longitudes. It is 43 meters above sea level and 183 kilometers from the sea. Beijing covers an area of 16,800 square kilometers, 38% of it is flat land and 62% mountains.

**Population** - about 21.33 million.

# Beijing

---

**Climate** - From July and August, temperatures in Beijing can hit 38 C, coinciding best time for visiting the north is spring and autumn. Daytime temperatures range from 20 C to 30 C and drop a lot at night.

**Tourist season** - April to October, the best time to visit Beijing is May, September and October, when people enjoy bright sunny day.

# Top Tourist Attractions

---

Forbidden City (The Imperial Palace) (故宮)

Great Wall of China (萬里長城)

Summer Palace (頤和園)

Temple of Heaven (天壇)

Beijing Capital Museum (首都博物館)

# Shanghai

---

## The largest city in China

### Shanghai Location

Shanghai is situated at 31°41' north latitude and 121°29' east longitude. The city, whose name literally means "on the sea", is located on the East China Coast just to the south of the mouth of the Yangtze river. Bordering on Jiangsu and Zhejiang provinces on the west, Shanghai is washed by the east China sea on the east and Hangzhou bay on the south.

# Shanghai

---

**Area** -the city covers an area of 6,340.5 square kilometers, which extends about 120 kilometers in north and south and nearly 100 kilometers in east and west. Shanghai has an urban area of 2,643 square kilometers, land area of 6,219 square kilometers and water area of 122 square kilometers.

**Population** - The current metro area population of Shanghai in 2022 is 28.51million.

# Shanghai

---

- The average temperature is around 15.7 C. The city has a humid subtropical climate, which is heavily influenced by the monsoons. Temperature varies widely from -10 C to 41 C.
- Shanghai weather is dominated by all the four seasons. Summers starts in the month of June. The months of July and August are the hottest, recording an average high of 32 degrees. In spite of being hot and humid, summer is the peak season for tourism. Summers experience torrential rain quite frequently.
- Often during a year, the city experiences a few spells of typhoon. The cyclone inflicts a considerable amount of damage to the city.

# Top Tourist Attractions

---

The Bund (外灘)

Oriental Pearl TV Tower (東方明珠電視塔)

Nanjiang Road (南京路)

YuYuan (Yu Garden) (豫園)

The Pudong New Zone (浦東新區)

# Hangzhou

---

The capital of Zhejiang province

Population – around 8.05 million

Climate - Hangzhou's climate is Humid Subtropical with four distinctive seasons. The average annual temperature in Hangzhou is 16.2°C. The summers are hot and humid, while winters are relatively cool and dry. In July, the hottest month, the average temperature is approximately 33.8°C; in January the average temperature is about 3.6°C.

# Top Tourist Attractions

---

West Lake (西湖)

Thousand-Island Lake scenery spot. (千島湖景區)

# Hainan

---

Hainan is the largest island administered by the People's Republic of China. The size of Hainan is comparable to the size of Belgium.

**Area:** 339,200 square kilometers

**Population:** 9.25 million

**Provincial Capital:** Haikou

**Climate** - enjoys a monsoon sub tropical AND tropical climate with annual average temperatures ranging between 18°C and 28°C and annual rainfall between 1,500 mm and 2,000 mm. An average of about 12 hours per day have daylight and more than 300 days of a year, on average, are sunny.

# Top Tourist Attractions

---

Yalong Bay (亞龍灣)

Sanya City (三亞) with seven-kilometre beach.

# Xi'an

---

Xi'an (historically known as Cháng'ān), is the capital of the Shaanxi province in the People's republic of China and a sub-provincial city. As one of the oldest cities in Chinese history, Xi'an is one of the Four Great Ancient Capitals of China because it has been the capital (under various names) of some of the most important dynasties in Chinese history, including the Zhou, Qin, Han, the Sui, and Tang dynasties.

# Xi'an

---

Area - 9,983 km<sup>2</sup>

Population – 8.54 million

Climate - Xi'an has a continental climate. The region is characterized by long, hot summers, and cold, dry winters. Spring and autumn are brief in between. Xi'an receives most of its annual precipitation from August to late October in the form of rain. Summer seasons also experience frequent but short thunderstorms.

# Top Tourist Attractions

---

City Wall of Xi'an (西安城墙)

Terracotta Army (兵马俑)

Bell & Drum Tower (鐘樓鼓樓)

Grand Tang Dynasty Ever-bright City (大唐不夜城)

# Major Tourism Region – GBA

# GBA

---

The “Guangdong-Hong Kong-Macao Greater Bay Area” (“Greater Bay Area” or “GBA” for short)

- Nine municipalities in Guangdong Province (Dongguan, Foshan, Guangzhou, Huizhou, Jiangmen, Shenzhen, Zhaoqing, Zhongshan, and Zhuhai)
- The two Special Administrative Regions of the Peoples’ Republic of China,
  - Hong Kong
  - Macao

# GBA in a glance

---

## Greater Bay Area Maps

# GBA Economic Profile

---

## Disparity

- Land: Huizhou (11,347 square kilometers) and Macao (31 square kilometers).
- Permanent population Guangzhou (14.5 million) and Macao (0.7 million).
- GDP: Hong Kong (USD 341 billion) and Zhaoqing (USD 32.6 billion)
- Industry: Hong Kong and Macao are dominated by the service sector, while those of Zhaoqing, Foshan, and Huizhou are still dominated by manufacturing.
- Hong Kong
  - The dominant recipient of foreign direct investment in the GBA, accounting for USD 117.4 billion out of a total of USD 140.7 billion in 2017.
  - Hong Kong's USD 497.3 billion in exports is misleading, since USD 491.7 of those exports were re-exports. Shenzhen and to a lesser extent Dongguan are the region's real export powerhouses.

# GBA Economic Profile

**Exhibit 2.1.** Major Economic Indicators of GBA, 2017

City	Land Area (sq km)	Population (mn)	GDP (USD bn)	Per-capita GDP (USD)	GDP share of tertiary industry (%)	Exports (USD bn)	Utilized FDI (USD bn) <sup>2</sup>

# Tourism in GBA

---

[Interactive map](#) in Hong Kong Tourism Board

# Tourism in GBA as a tourism hub

---

- More diversified and high value-added products can be developed.
- It can provide multi-destination tourism products to foreign visitors and strengthen Hong Kong's image as a premier tourist destination in Asia.
- Tourism can promote culture understanding and exchange.

# Tourism in GBA

---

- Macao
- Guangzhou
- Shenzhen
- Foshan
- Dongguan
- Huizhou
- Zhongshan
- Jiangmen
- Zhuhai
- Zhaoqing

# Macao

---

Seamlessly blending Portuguese and Chinese culture, Macao is a city of unique charm, exemplified by the UNESCO World Heritage Site status of its historic centre.

# Top tourist destinations

---

Ruins of St. Paul's (大三巴牌坊)

A-Ma Temple (媽閣廟)

Mount Fortress (大炮台)

# Guangzhou

---

A bastion of China's Lingnan (southern) culture, Guangzhou has a 2,200-year-old history. It is also known as the 'Flower City' and 'City of Rams'.

# Top tourist destinations

---

Nanyue King's Museum ( 南越文王墓 )

Guangxiao Temple ( 光孝寺 )

Zhenhai Tower ( 鎮海樓 )

Dr. Sun Yat-sen Memorial Hall ( 中山紀念堂 )

Canton Tower ( 廣州塔 )

# Shenzhen

---

As China's first Special Economic Zone, Shenzhen's pleasant climate and picturesque coastal and mountain scenery have turned it into an attractive travel destination.

# Top tourist destinations

---

Window of the World ( 世界之窗 )

OCT – East ( 東部華僑城 )

Splendid China - China Folk Culture Village ( 錦繡中華民俗村 )

# Foshan

---

Known as the hometown of ceramic art, Cantonese opera, and martial arts, Foshan is a historical and energetic city.

# Top tourist destinations

---

Huang Feihong Memorial Hall ( 黃飛鴻紀念館 )

Ip Man Tong ( 葉問堂 )

# Dongguan

---

Dongguan is known for its importance as ‘the world’s factory’, drawing businesses from around the globe, but in recent years it has also become a hotspot for leisure travellers seeking romantic sea views and scenic historical spots that tell of the region’s exciting history.

# Top tourist destinations

---

Ancient Nanshe and Tangwei Villages ( 南社村和塘尾村古建築群 )

Keyuan Museum ( 可園 )

# Huizhou

---

Huizhou is well known for its mountains, hills and valleys, particularly in the north and east. The southern part of the city is home to a long, meandering coastline.

# Top tourist destinations

---

Huizhou West Lake ( 惠州西湖 )

Shuangyue Bay (Double moon) ( 雙月灣 )

# Zhongshan

---

Zhongshan is the hometown of Dr Sun Yat-sen, considered one of 20th-century China's greatest citizens.

Sun Wen Xi Road Tourism Zone ( 孫文西路步行街 )

# Jiangmen

---

Jiangmen is known as the hometown of countless emigrants whose descendants can be found in over a hundred countries worldwide.

## Kaiping Diaolou and Villages ( 開平碉樓 )

# Zhuhai

---

While the Special Economic Zone enjoys rapid growth, it features stunning coastlines, peaceful islands, tranquil suburbs and vast greenery.

# Top tourist destinations

---

Statue of Fisher Girl ( 珠海漁女像 )

Chimelong Ocean Kingdom ( 長隆海洋王國 )

# Zhaoqing

---

Zhaoqing has abundant scenic resources. Semi-permanent mist shroud the lake during the cooler months, adding to the tranquil ambience of the mountain scenery.

# Top tourist destinations

---

Seven Star Crags ( 七星岩 )

Dinghushan National Nature Reserve ( 鼎湖山 )

# Thank you!
