

Learning and Teaching Resources of Cybersecurity — CyberDefenders’ Alliance Card Game (Chinese version only)

Purpose

This is to inform primary and secondary school heads and teachers about distribution of the captioned card game.

Details

2. To enhance teenagers' awareness of cybersecurity, the Cyber Security and Technology Crime Bureau (CSTCB) of Hong Kong Police Force (HKPF), in collaboration with the Digital Policy Office (DPO) and the Education Bureau (EDB), launched the "CyberDefenders’ Alliance Card Game" (card game) in October 2025. The captioned card game aims to promote cyber security education and build a safer online environment. It targets upper primary and secondary students, using fun and interactive gameplay to teach them anti-scam knowledge and increase their awareness of technology crimes pitfall. Furthermore, each card includes practical cybersecurity information and mascots from various government departments. Students can internalise self-protection skills by collecting game cards and participating in games.

3. To enhance teachers' capabilities in teaching cyber security, the Technology Education Section of the EDB, in collaboration with the CSTCB, regularly organises webinar on learning and teaching cybersecurity and workshops to help teachers more effectively integrate cybersecurity into classroom teaching. Furthermore, the EDB and CSTCB have co-organised workshops on “CyberDefenders’ Alliance Card Game” for primary and secondary school teachers in October and November 2025. These workshops allowed teachers to experience the card game and understand how to integrate it into their lessons, so as to improve students' information literacy, anti-scam, and cybersecurity awareness.

4. The trial version of the captioned card game is available for schools to collect. Schools could complete the **Collection Slip** attached and arrange for collection of **two boxes** of the card game at their respective Regional Education Offices from **22 December 2025 (Monday) to 21 January 2026 (Wednesday)**. The details of the captioned card game can be accessed via the following web page: <https://cyberdefender.hk/>.

5. Furthermore, the EDB, CSTCB, and Hong Kong Institute of Information Technology (HKIIT) will collaborate to organise a workshop cum webinar on **9 January 2026 (Friday)**. The event will cover latest information on technology crimes, introduction on the “CyberDefenders’ Alliance Card Game”, cyber security threats in schools, and learning and teaching by using related cybersecurity resources. Workshop participants will gain hands-on experience of how to prevent network and web attacks through the Security Information and Event Management (SIEM) platform, which enhancing their awareness of early threat detection and how to handle network incidents, thereby strengthening their cybersecurity skills. Teachers can apply for the courses through Training Calendar System (TCS) of the EDB. Details are as follows:
