

Towards Health and Social Care Professions - Info Day 2026

Aims / Objectives

This is to invite secondary schools to participate in the captioned activity.

Details

2. This Info Day aims to enable students to understand the articulation of Health Management and Social Care (HMSC) to a range of post-secondary pathways in universities through the introduction of relevant programmes in universities so that they could make informed decisions about further studies and have better preparation for their career development in health and social care professions.
