

Activity 1

Mission to Mars

You are one of those chosen to build a new world on Mars. What would you build on Mars?

In your group:

Task 1: Brainstorm ideas on what to build.

Task 2: Explain your ideas.

E.g. We would build an oxygen machine on Mars because people need fresh air to breathe.

1. We would build _____ on Mars because _____

2. We would build _____ on Mars because _____

3. We would build _____ on Mars because _____

4. We would build _____ on Mars because _____
