Please note that the EDB does not guarantee an appointment for an applicant and whether you will be offered an appointment is at the full discretion of the school. All expenses incurred for attending interview(s) at the EDB/school(s) will be borne by the applicant.

Q.2 Can I still apply for the NET post if I have not yet completed my Bachelor's degree/ teacher's certificate/ Teaching of English as a Foreign or Second Language (TEFL/TESL) course?

You may still apply for the NET post if you are still studying for the required qualifications of the NET post. In any case, you have to meet all the requirements for appointment as a NET under the respective NET Schemes **before** appointment to a school.

Q.3 Who will be my employer if I am employed as a NET?

A: The aided primary/secondary school that you are matched with will be your employer. You will sign a contract with the respective school. Different schools will vary in different aspects such as the background of the students, school culture, etc. You are advised to consult the school principal about all these before signing a contract.

If you were matched with a government primary/secondary school, EDB will be your employer.

Q.4 What will be my working hours?

A: NETs are required to work during school hours, after school hours and sometimes on weekends to perform specified duties within or outside schools.

Q.5 How many days of school holidays are there in a school year?

A: The schools are given more flexibility over the number and distribution of school days and school holidays to suit the specific needs of the students and the circumstances of the school. In any event, the total number of school days in a school year for whole day school should not be less than 190 days. The major school holidays includes Christmas, New Year, Chinese New Year, Easter and summer vacation. However, *it is not unusual for teachers to be required to perform duties on school holidays.*

Q.6 How is my salary assessed?

A: Salary increments may be awarded for recognized relevant post-degree teaching experience on production of relevant Certificates/Statements of Service. Without supporting document, your salary will not be revised.

(i) If you were recruited by EDB, the NET Administration Team would assess your initial salary. On the other hand, if you were directly recruited by school, your employing school would have the responsibility to assess your salary which is paid under the Salaries Grant in accordance with the stipulations in the Codes of Aid and Guide to Salary Assessment.

(ii) EDB would verify the salary assessment made by schools as soon as possible. However, due to the huge number of salary assessment cases received in particular in the commencement of each school year, it may take quite some time to complete the verification. If you have further teaching experience which has not been previously assessed after the initial salary assessment, please submit it with additional documentary evidence to your school for re-assessing / adjusting your salary. Without supporting document, your salary will not be re-assessed and revised.

(iii) Each certified true copy of the official Certificate/Statement of Service must include the following:

- your full name (as shown in your birth certificate/ marriage certificate/ passport);
- length of employment *, with exact dates; (i.e. from dd/mm/yy to dd/mm/yy);
- nature of employment (i.e. whether full-time or part-time);
- for part-time employment, fraction of full-time experience is needed (e.g. 0.3 full time equivalent);
- nature of school (i.e. whether day school or evening school);
- subject(s) taught; and
- age and levels/grades of students taught.

* **CONTINUOUS EMPLOYMENT OF LESS THAN 3 MONTHS WOULD NOT BE**

CONSIDERED.

(iv) Please consult your school principal for details of your salary particulars. You may also refer to the Code of Aid and Guide to Salary Assessment which is available at <http://www.edb.gov.hk> -> Teachers' Development -> Employment Related Information -> Salary Assessment in Aided Schools.

Q.7 Is the NET entitled to salary increments?

A: For a NET who is remunerated on the Master Pay Scale, subject to his/her performance, he/she will, on completion of one year's service, move to the next higher pay point on the appropriate Master Pay Scale and progress along the Master Pay Scale in subsequent years. [An APSM will not be permitted to proceed beyond a salary bar at Master Pay Scale Point 20 (or Point 22 if he/she was appointed before 1 October 2010) unless he/she has obtained a Postgraduate Diploma in Education or an equivalent qualification.]

Increments of salary are not automatic. A: The retention incentive (RI) aims to provide additional incentive for serving NETs to continue their service in Hong Kong.
