### Part A: Content

1. Click on the links, e.g. *Gallery, Bio, Videos*, etc., on the fan page assigned to you. Record below the information that you can see and find.
2. Tick whether you like/don't like the information in the link. Explain your choice.

Link	Information in the link	Like	Don't Like	Why

### Part B: Visual Appeal

In your group, discuss the use of graphics, colours, animation and music (if applicable) and whether these design features make the fan page look appealing.
