Lee: Oh, will you two just grow up! Leave Chu alone!
Lai: Or what, Lee?
Lee: Or I will tell the teacher what you are doing. You are bullying Chu. You need to learn a lesson.
Chu: Don't, Lee, you will make them angry with you. . .
Wong: That's right! Very angry. Now go away Lee, or you will be sorry. Chu, you really must try to look more fashionable, you know?
Chu: I am wearing the school uniform.
Lai: That doesn't matter! Haven't you ever heard of accessories?
Chu: My parents work hard to take care of my family. They love me.
Lai: Yes, but if you look like a fool, you will never get any friends.
Lee: I am Chu's friend. I want you to go away and leave Chu alone.
Wong: I don't think so. Lai and I are just getting started. . .
Chu: Help!
