

**School Nominations Direct Admission Scheme (SNDAS)**  
**Programme and Admission Requirements of Designated Programmes**  
**in the 2026/27 Academic Year**

**I. Programme information**

|     |                      |                                          |
|-----|----------------------|------------------------------------------|
| (a) | University           | The Chinese University of Hong Kong      |
| (b) | Programme            | Enrichment Stream in Theoretical Physics |
| (c) | JUPAS programme code | JS4690                                   |
| (d) | Programme duration   | 4 years                                  |

**II. Programme admission requirements**

| Admission requirements |                                                                                                                                                   |           |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|-----------|
| (a)                    | Top 10% in class ranking in Secondary 5 and Secondary 6 (1st term)                                                                                | Mandatory |
| (b)                    | Nominees should possess good communication and analytical skills                                                                                  |           |
| (c)                    | Outstanding academic result in Physics, Mathematics (Compulsory Part) and Mathematics (Extended Part) Module 1 or 2                               | Preferred |
| (d)                    | Predicted grade of Level 5* or above in Physics, Mathematics (Compulsory Part) and Mathematics (Extended Part) Module 1 or 2 of HKDSE Examination |           |
| (e)                    | Received awards / prizes in international / regional competitions in the mathematical or physics field                                            |           |
| (f)                    | Received awards / prizes in international / regional competitions in other science and engineering fields                                         |           |
| (g)                    | Received scholarships due to outstanding academic performance                                                                                     |           |
| (h)                    | Achieved outstanding results in tertiary-level courses / summer courses in the field of science and engineering at post-secondary institutions    |           |

### III. Application requirements

| Application requirements               |                                                                                                                       |           |
|----------------------------------------|-----------------------------------------------------------------------------------------------------------------------|-----------|
| <b>(a) JUPAS application</b>           |                                                                                                                       |           |
| (i)                                    | Band A choice in nominee's JUPAS application                                                                          | Mandatory |
| (ii)                                   | Submission of Student Learning Profile (SLP)                                                                          |           |
| (iii)                                  | Submission of Other Experiences and Achievements in Competition / Activities (OEA)                                    | Preferred |
| <b>(b) Other application materials</b> |                                                                                                                       |           |
| (i)                                    | Nominees may demonstrate in a personal statement in no more than 300 words why they are interested in the programme.  | Mandatory |
| (ii)                                   | Recommendation letter                                                                                                 |           |
| (iii)                                  | School reports showing the nominees' academic performance and class ranking in Secondary 5 and Secondary 6 (1st term) |           |
| (iv)                                   | School's assessment on the nominees' predicted grades in the 2026 HKDSE examination                                   |           |

### IV. Assessment of application

| Assessment |                                                                       |           |
|------------|-----------------------------------------------------------------------|-----------|
| (a)        | Nominees should demonstrate outstanding performance in the interview. | Mandatory |

### V. Enquiry and nomination submission channel

- (a) Enquiries from schools / students on the programme can be addressed to:

Name: Office of Admissions and Financial Aid, CUHK

Telephone: 3943 8947 / 3943 0387

Email: sndas@cuhk.edu.hk

- (b) Nominations from school principals should be submitted via:

Online system (URL link: <https://admission.cuhk.edu.hk/jupas/sndas.html>)
