Note: For a Scheme-KG to be disbursed with subsidy for a month, an eligible student studying in that KG must have attended classes in that month. In general, if students have been absent from school for an entire month (i.e. absent for all school days of a specific month), subsidy in respect of the student for that month would not be disbursed to the KG concerned; parents are required to pay full school fees before deduction of subsidy under the Scheme as shown on the "Fees Certificate" of the KG to which the child is admitted. If there are any special circumstances (e.g. absence due to illness for the entire month), upon receipt of justifications and documentary proof (covering all school days of the absent month) from parents, schools may apply to EDB for subsidy for that month. Each case would be considered on its individual merits. However, if the whole-month absence of students involves touring, disbursement of subsidy for these cases would not be considered.
