

Kindergarten Education Scheme

Notes to Parents

I. Admission Arrangements for Nursery (K1) Classes in Kindergartens for the 2022/23 School Year

1. The Government has implemented the kindergarten (KG) education scheme (Scheme) starting from the 2017/18 school year. Under the Scheme, KG student admission would, in principle, remain a school-based matter with a view to maintaining the flexibility and diversity of the KG sector and free choice for parents. The Education Bureau (EDB) will continue the implementation of K1 Admission Arrangements for the 2022/23 school year with fine-tuning as appropriate to tie in with the implementation of the Scheme.
2. To prevent a child from hoarding a number of places at one time, which would affect other children, each child who can receive education in Hong Kong will only be issued a registration document and all Scheme-KGs can only admit students holding a valid registration document (i.e. “Registration Certificate for KG Admission” or “KG Admission Pass”).
3. Parents should understand from KGs about their school-based admission mechanism, including the procedure, criteria, interview arrangements, application fee, etc. They should obtain application form and submit application for admission in accordance with the requirements as specified by individual KGs.
4. KGs will inform parents of the application result before 17 December 2021.
5. Upon receipt of notification(s) of admission, parents should, after careful consideration, choose one KG for registration. They are required to submit the “Registration Certificate for KG Admission” (hereafter referred to as “RC”) and pay registration fee at the KG to complete the registration procedure between 6 and 8 January 2022 (i.e. the “centralised registration dates”).
6. In case a child is offered a place after the “centralised registration dates”, the parents should complete the registration procedure on the date set by individual KGs, but they are still required to complete the registration by tendering the “RC” to the KG concerned.
7. As for the approved ceilings of registration fee, they are \$970 and \$1,570 for HD session and WD session respectively. Scheme-KGs are not permitted to collect registration fee exceeding the approved ceilings.

8. The EDB will release K1 vacancy information from late January 2022 onwards so as to help parents find a K1 place for their children.
9. For details of the admission arrangements for K1 classes in KGs for the 2022/23 school year, parents may visit EDB's website (https://www.edb.gov.hk/k1-admission_e).
10. For enquiries, please call the EDB at 3540 6808 / 3540 6811 or the 24-hour automatic telephone enquiry system at 2891 0088, or contact the EDB's Regional Education Offices or the Joint Office for KGs and Child Care Centres. Parents of non-Chinese speaking children may call the EDB Hotline at 2892 6676 for enquiry on admission to KGs.

II. Points to Note Regarding the Use of RC

1. Subsidised KG places

- 1.1 In case of any discrepancy between the personal information shown on the issued RC and that you submitted for the application, please notify the EDB promptly to facilitate rectification.
- 1.2 If your child holding a RC is offered a school place by a KG joining the Scheme and the offer is accepted, you should present the original copy of the RC to the KG for retention. The KG will issue an acknowledgement to you to confirm receipt of the RC.
- 1.3 EDB will disburse subsidies (half-day, whole-day or long whole-day unit subsidies) to KGs eligible for subsidies according to the number of students holding a valid RC and enrolled to eligible courses (nursery (K1), lower KG (K2) and upper KG (K3) classes adopting local curriculum).
- 1.4 If a KG is approved to collect a tuition fee upon receipt of Government subsidies, you should pay the tuition fee by monthly instalments. The amount of tuition fee per instalment (if applicable) and the number of instalments are shown on the "Fees Certificate" issued by the EDB to the KG. The "Fees Certificate" should be exhibited conspicuously at a prominent position in the KG.
- 1.5 If a KG is not approved to collect a tuition fee upon receipt of Government subsidies, you are not required to pay any tuition fee.
- 1.6 The maximum validity period of the RC is three years. The RC is valid for use only within its validity period and will expire afterwards. Subsidies will

not be disbursed to a KG in respect of a student whose RC has already expired. If you arrange for your child to repeat his/her study in certain level due to personal consideration (e.g. individual conditions of the children, family factors, changing schools, etc) so that the KG education required is more than 3 years, then you would have to pay the school fee before deduction of government subsidy. Application for extension of validity of the RC will only be considered under very special circumstances and on a case-by-case basis, for example, the child has been identified with special needs. For such application, the applicant must provide strong and solid proof, for example, an assessment report issued by the relevant registered medical practitioner or professional (e.g. paediatrician, psychiatrist, educational psychologist, clinical psychologist, etc) showing that the children have to pursue KG education for a period longer than the normal three years, for the Government's consideration.

- 1.7 If your child is permitted by the Immigration Department to stay in Hong Kong for a limited period of time, his/her RC will remain valid up to the end of the permitted period for him/her to stay in Hong Kong. If permission has subsequently been granted by the Immigration Department to extend the stay of your child in Hong Kong and you wish to continue receiving subsidies under the Scheme, you are required to inform the Kindergarten Administration 2 Section of the EDB (P.O. Box 23179, Wan Chai Post Office, Hong Kong) in writing for re-assessment of the eligibility of your child for subsidies. You are advised to send in copies of the documentary evidence of your child as well as that of yours showing the endorsement by the Immigration Department for the extension of stay in Hong Kong to the EDB. Where qualified, your child will be issued with another RC showing the new validity period. To avoid disruption in the receipt of subsidies, you are required to send your request to the Kindergarten Administration 2 Section of the EDB preferably one month or earlier before the expiry of the original visa of your child.
- 1.8 In case the child's eligibility for receiving the subsidy under the Scheme and/or the validity period of registration document changes upon the EDB's reexamination of the application, the EDB will issue an appropriate registration document in replacement of the previously issued RC or AP in light of the circumstances. You attention is drawn to note that the child/parent should comply with the requirements and directions from time to time be issued by the HKSAR Government regarding the application for and the conditions on use of the RC or AP.
- 1.9 For a Scheme-KG to be disbursed with subsidy for a month, an eligible student

studying in that KG must have attended classes in that month. In general, if students have been absent from school for an entire month (i.e. absent for all school days of a specific month), subsidy in respect of the student for that month would not be disbursed to the KG concerned; parents are required to pay full school fees before deduction of subsidy under the Scheme as shown on the “Fees Certificate” of the KG to which the child is admitted. If there are any special circumstances (e.g. absence due to illness for the entire month), upon receipt of justifications and documentary proof (covering all school days of the absent month) from parents, schools may apply to the EDB for subsidy. Each case would be considered on its individual merits. However, if the whole-month absence of students involves touring, disbursement of subsidy for these cases would not be considered.

- 1.10 If the KG under the Scheme you choose for your child withdraws from the Scheme subsequently and your child continues to attend courses which are eligible for subsidies in the same KG, your child is still eligible to receive subsidies until he/she leaves the KG concerned or the expiry of the validity of his/her RC.
- 1.11 Upon your child’s completion of the KG courses or withdrawal from a KG, the KG will return the original copy of your child’s RC to you.

2. Points to note for transfer to another KG

- 2.1 If your child changes to another KG during the validity period of the RC, the KG that your child initially registered with/attended is obliged to return the RC to you upon your child’s withdrawal from the KG. You should acknowledge receipt of your child’s RC from the KG by signing a receipt. Upon getting back the RC, the KG concerned will no longer reserve the place for the child. Normally, the registration fee paid to the KG with which the child has registered will not be refunded.
- 2.2 You are reminded to select a KG that also joins the Scheme if you wish to continue to receive subsidies after your child is transferred to another KG. You are also advised to note that the new KG and the KG that your child initially registered with/attended may charge a different level of tuition fee.
- 2.3 If your child is transferred to another KG in the middle of a month, the new KG attended by your child can only collect from you the approved tuition fee after deduction of Government subsidy.
- 2.4 If your child has completed a KG course in a school year and then enrolled to

a course of the same school year in another KG, he/she will not be eligible for subsidy under the Scheme for his/her attendance in the second KG. For example, if a student completes a KG course for the 2022/23 school year that finishes in late June 2023 and then, in July 2023, transfers to another KG that finishes in August 2023 for the 2022/23 school year, the child will not be eligible for subsidy for July and August 2023.

3. Others

- 3.1 Children of needy families who require financial assistance on top of the subsidies provided under the Scheme may apply to the Student Finance Office (SFO) of the Working Family and Student Financial Assistance Agency for financial assistance under the Kindergarten and Child Care Centre Fee Remission Scheme (“KCFRS”) and the Grant for School-related Expenses for Kindergarten Students (“Grant-KG”) separately. Besides, families not applying for the KCFRS may still apply for the Grant-KG. Families applying for the above student financial assistance schemes are subject to the eligibility requirements of the concerned schemes. “Household Application Form for Student Financial Assistance Schemes (2021/22)” is available for distribution around July 2021. The SFO will upload the application form, the procedures for application and details of the concerned schemes on its homepage in due course.
