**Part IV Language of Correspondence**

1. Language of correspondence #  Chinese  English

**Part V Undertaking and Declaration**

1. The Government of the Hong Kong Special Administrative Region (hereafter referred to as "HK SAR Government") has implemented the Kindergarten (KG) Admission Scheme (hereafter referred to as "Scheme") under the 2017/18 school year. As the HK SAR Government is to consider and process the application for a Registration Certificate for Kindergarten Admission ("Certificate" or "RC") in "2024/25 Kindergarten Admission Year" (hereafter referred to as "AP") for the appropriate preparation of whom are provided in Part II of this Form (hereafter individually or collectively referred to as "Child") according to the "Scheme", I (herein, the undersigned with my particulars being provided in Part I of this Form) hereby acknowledge and agree to set out in Clause 2.6.1 below.

2. I have carefully read and fully understood the "Guidance Notes on Application for Registration Certificate for Kindergarten Admission" (hereafter referred to as "Guidance Notes"). I hereby undertake that I shall comply with and ensure the Child will comply with all requirements and specifications set out in the "Guidance Notes" in any form from time to time as mandated by the HK SAR Government and such other requirements and decisions from time to time as issued by the HK SAR Government regarding the application for and the conditions on use of the RC or AP.

3. I understand and agree that the RC or AP is only applicable to the eligible Child covered under the "Scheme" for registration in an eligible non-profit-making KG under the "Scheme".

4. I understand that the applicant for RC must be the parent of the child or a person authorised to look after the applicant. Upon receipt of a completed application form signed by the parent (unless the father/mother/EDB will receive that on behalf of the parent of the child to fully accept and look after the application). Since each eligible child will only be issued one RC / AP in any case, if one of the parents other than the applicant himself / herself submits an application for RC / AP for the same child who has already been issued the RC / AP, the application will be considered as duplicate which will not be processed by EDB and it will be returned to the applicant concerned.

5. I understand the validity period of RC, in general, is 3 years. If the parents arrange for their children to repeat their study in certain level and have received EDB education for more than 3 years due to personal consideration (e.g. individual conditions of the children, family factors, changing schools, etc.), the parents have to pay full school fee before detection of subsidy under the Scheme. Under special circumstances, parents may apply for extension of the validity period of the RC. Application for extension of the validity period of RC will only be considered by the Education Bureau (EDB) on a case-by-case basis for students with special needs. The applicant must provide relevant proof, for example, an assessment report issued by the relevant registered medical professional (e.g. paediatrician, paediatric psychologist, educational psychologist, clinical psychologist, etc.), confirming special needs of the child and the need for the child to pursue K1 education for a period longer than the normal three years.

6. I understand that a scheme (RC) will be issued only to eligible children who are in the EC year have attended classes in that month. In special cases, if children have been absent from school for a certain month (i.e. absent for all school days of a specific month, unless in respect of the student for that month would not be delivered to the EDB because of personal circumstances (e.g. absence due to illness or the Scheme is suspended on the 15th of the month) or the child is admitted to the EC year after the end of the month, there are any special circumstances (e.g. absence due to illness for the entire month), upon receipt of justification and documentary proof covering the school days of the absent month from parents, schools may apply to EDB for subsidy for that month. Each case would be considered on its individual merits. However, if the whole-month absence of students involves leaving, disbandment of schools, for these cases would not be considered.

7. I hereby undertake and warrant that information, supporting documents supplied and representations (including collectively referred to as "information") made by me or my behalf from time to time in relation to the RC or AP is true and complete. I understand that EDB will process the application based on the information.

8. If my representation given by me or my behalf in the Undertaking and Declaration is incorrect or misleading or if a false statement is provided, or if I fail to comply with any provision of this Undertaking and Declaration, without prejudice to any penalty, right and remedy that the HK SAR Government may have under this Undertaking and Declaration, in law, the HK SAR Government shall be entitled to immediately invalidate this application or, as the case may be, immediately invalidate the RC or AP issued, and I may be liable to litigation and / or criminal prosecution.

2. 原則上，幼稚園只會為持有有效正式註冊文件的學堂辦理入學註冊手續，如學堂在特殊情況下未能出示上述其中一項有效正式註冊文件（例如轉校，而有有效正式註冊文件正由現時就讀的幼稚園保管），可以「臨時註冊信」作臨時註冊之用。
3. 如以「臨時註冊信」辦理註冊手續，家長必須於其子女正式入讀有關幼稚園首天或之前，向該幼稚園提交其子女的有效正式註冊文件，該幼稚園才可讓有關學堂入讀。
4. 幼稚園在收到有關學堂的有效正式註冊文件後，應把「臨時註冊信」交還家長保管，家長無需把「臨時註冊信」交回教育局。
5. 此「臨時註冊信」的有效期至 2025年8月31日。

### Important points to note

1. The Provisional Registration Letter (PRL) is only applicable to student who has already been issued a valid registration document (i.e. "Registration Certificate for Kindergarten Admission" or "Kindergarten Admission Pass").
2. In principle, all kindergartens (KGs) can only admit students with valid registration documents. If students are unable to tender the valid registration documents listed above under special circumstances (e.g. changing to another KG, and the valid registration document is being kept by the KG currently attending), they can use the PRL for provisional registration.
3. Parents are required to tender the valid registration document to the KG which the student has registered with PRL, on or before the first schooling date. The KG could admit the student only upon receipt of the valid registration document.
4. After the KG has received the valid registration document from the student, the KG should return the PRL to the parent concerned. There is no need for the parent to return the PRL to the Education Bureau.
5. This PRL is valid till 31 August 2025.

### Kindergarten Education Policy Support for Non-Chinese Speaking Children

Non-Chinese speaking (NCS) children's early start in learning the Chinese language will facilitate their adaptation to mainstream curriculum and integration into the local community. Parents of NCS children are encouraged to send their children to kindergartens (KGs) with an immersed Chinese language environment as early as possible to facilitate their learning of the Chinese language. In this connection, the Government has rolled out a series of support measures for NCS children in KGs.

#### Support Measures for Non-Chinese Speaking Children in Kindergartens

##### Admission to KGs

- All KGs must ensure equal opportunities in admission for all children regardless of their race, gender and ability and their school-based admission mechanism should be fair, just, open and comply with the anti-discrimination ordinances.
- KGs are reminded to provide both Chinese and English versions of their application forms and relevant information, and to create an icon or provide a simple message in English on the school webpage to facilitate parents' access to the English version of the information. KGs are also reminded to state explicitly on the school website that if interviews are arranged for NCS children, KGs should arrange interpretation and/or translation service for applicants where necessary or allow parents and children to be accompanied by a Chinese speaking relative/friend during the interview to facilitate communication. KGs should provide the information on the school's support to NCS children, enquiry telephone number and email address for parents of NCS children on the school website.
- Parent seminars on Nursery (K1) admission are organised for parents of NCS children annually. Interpretation service is provided as appropriate.
- Relevant materials published by Education Bureau (EDB), such as leaflets, posters, application form and guidance notes on "Application for Registration Certificate for KG Admission" as well as the subtitles of publicity announcements, have been translated into languages of diverse race.
- The KG Profile, which is published in both English and Chinese, provides a wide range of school information, including support to NCS students, which serves as useful reference for parents in making school choices.
- Should individual NCS children encounter genuine difficulties in seeking admission to KGs, EDB will make referrals, as appropriate, to KGs joining the KG education scheme (Scheme-KGs) that have vacancies.

##### Catering for NCS Students' Needs

- To support KGs in catering for the needs of NCS students, different school-based support services are offered. KGs admitting NCS students may apply for the relevant services according to their school development needs.
- Professional training programmes are offered for KG teachers on teaching and learning of Chinese for NCS students.
- Starting from the 2019/20 school year, we have refined the additional subsidy on support to NCS students. A 5-tiered subsidy is provided to Scheme-KGs according to the number of NCS students admitted to facilitate their support for NCS students. KGs admitting 1 NCS student also receive the subsidy. The full-year provision of the highest tier in the 2021/22 school year is about \$60,000.

To help KGs strengthen communication with parents of NCS students, a set of Communication Cue Cards with audio files and a set of templates for commonly used school circulars have been translated into languages of diverse race for use of KGs.

The KG Education Curriculum Guide sets out the direction and principles for facilitating the integration of NCS students into the local school settings, as well as introducing specific strategies and relevant resources on how teachers can help NCS students learn Chinese.
