

# **Admission Arrangements for Nursery (K1) Classes in Kindergartens for the 2019/20 School Year**

## **Guidance Notes on Application for “Provisional Registration Letter”**

### **1. General Information**

- 1.1 The Education Bureau (EDB) has implemented the kindergarten (KG) education scheme (Scheme) starting from the 2017/18 school year. Under the Scheme, KG student admission would, in principle, remain a school-based matter with a view to maintaining the flexibility and diversity of the KG sector and free choice for parents. Besides, parents are required to use a valid registration document issued by EDB for their children’s registration to Scheme-KGs or non-Scheme KGs having joined the “Not More Than One Place for Each Child” measure under the “2019/20 K1 Admission Arrangements” <sup>Note</sup>.
- 1.2 EDB will issue a registration document to each student who can receive education in Hong Kong: the “Registration Certificate for KG Admission” (“RC”) for students who are eligible for receiving the subsidy under the Scheme; or the “Kindergarten Admission Pass” (“AP”) if they are not eligible for receiving the subsidy (i.e. the parents concerned are required to pay full school fees before deduction of the subsidy). Under the “Not More Than One Place for Each Child” measure, during the period of study in a KG, the registration document of a student would be kept by that KG. For a student holding a “Certificate of Eligibility for the Pre-primary Education Voucher Scheme” (“Voucher”), the Voucher would also be kept by the KG currently attending.
- 1.3 Under special circumstances, some parents may arrange their children to repeat K1 or change to another KG in the 2019/20 school year, but it is not yet the right time to retrieve the “RC”, “AP” or the “Voucher” of their children from the KG currently attending. In such cases, the parents can apply to EDB for a “Provisional Registration Letter” (“PRL”) to facilitate their children’s provisional registration to the KGs concerned. Details are provided in the ensuing paragraphs. Please note that if “PRL” is adopted in the registration procedure, on or before the first day of officially attending the KG concerned, parents have to submit a valid “RC”, “AP” or “Voucher” of their child to that KG, only then that KG can admit the student concerned.

### **2. Arrangement on Application for “PRL”**

- 2.1 This arrangement is applicable to a student who has already been issued an “RC”, “AP” or the “Voucher” and such document is being kept by the KG currently attending.
- 2.2 As general examples, if an applicant intends to make the following arrangement, upon receipt of the application, EDB will consider issuing a “PRL” to the student concerned:
  - (a) The student will repeat K1 in the 2019/20 school year in the KG currently attending or another KG, which is under the Scheme / “Not More Than One Place for Each Child” measure; or
  - (b) The student will change to another KG in the 2019/20 school year which is under the Scheme / “Not More Than One Place for Each Child” measure.
- 2.3 If an applicant would like to apply for the “PRL” for reasons other than the circumstances in para 2.2 above, EDB will consider the application on a case-by-case basis.
- 2.4 If a student is eligible for receiving education in Hong Kong and has never been issued an “RC”, “AP” or the “Voucher”, for his/her admission to a Scheme-KG, the applicant can apply for the “RC” or “AP” directly from EDB. For enquiry, please refer to the contact information in para 4 below.

If applicants do not receive any acknowledgment from EDB two weeks after submitting their application forms, please call EDB at 3540 6808 / 3540 6811.

Upon receipt of all the necessary information, EDB will generally take **14 working days** to complete processing the application and inform the applicants of the results (both successful and unsuccessful) by post.

- 3.2 Applicants must fill in each item of the application form carefully. Incomplete or incorrect information may lead to delay in processing or even rejection by EDB.
- 3.3 If an applicant wants to obtain the “PRL” before the “centralised registration dates” (i.e. 10 to 12 January 2019) for the “2019/20 K1 Admission Arrangements”, he/she must submit the application **on or before 18 December 2018**.
- 3.4 Please **DO NOT** make repeated applications which may lead to delay in processing.
- 3.5 For reissuance due to loss or damage of the “PRL”, the applicants should notify EDB in writing. EDB will consider reissuing a duplicate copy of the “PRL” on a case-by-case basis. However, the original copy of the “PRL” will not be reissued. As reissuance takes time, please take good care of the “PRL” to avoid registration delay.
