How to cope with on-site audit inspection?

Be proactive and prepare early

School

- Conduct self-checking
- Identify concerns
- Devise and submit policy papers to SMC
- Supervise if the policies are in genuine action
- Review and improve regularly

Be proactive and prepare early

EDB

- Schools are informed 3 months in advance before the audit inspection.
- The school receives checklists and meets the EDB staff to develop shared understanding about how the pilot MFA will go.

The role of the SMC in the school's continuing development
