Survey on Digital Education for the 2024/25 school year

Summary

This circular memorandum requests primary, secondary and special schools to complete a survey on Digital Education during the period from **25 April to 9 May 2025**.

Details

2. The Education Bureau (EDB) has been conducting the survey on Information Technology (IT) in Education since the 2015/16 school year to obtain a holistic understanding of the implementation of IT in Education in public sector schools. In response to the Chief Executive's proposal in the 2024 Policy Address to promote digital education and use information technology to empower learning and teaching, we will conduct the e-survey for the 2024/25 school year to collect schools' views on the development of Digital Education and relevant information for reference so as to strengthen measures to support schools in implementing digital education. Schools are requested to download and complete an electronic questionnaire, and then submit it through the EDB Common Log-On System at <https://esurveyweb.edb.gov.hk> during the period from **25 April to 9 May 2025**. Your responses and feedback will be vital for the development of Digital Education.

Enquiries

3. For enquiries, please contact Ms M W LEUNG at 3698 3597 of the IT in Education Section.
