

Build a Secure Cyberspace 2015 Protect Your Web and Mobile Device

Hong Kong Computer Emergency Response Team Coordination Centre (HKCERT), Office of the Government Chief Information Officer (OGCIO) and Hong Kong Police Force (HKPF) will jointly organize a seminar for information security that is one of the events under the International IT Fest 2015.

As cyber attacks targeting websites escalate, the risks of the theft of business and personal information keep rising. Furthermore, malware targeting mobile platforms has surpassed that of PC platform. Businesses and individuals should raise their awareness and understanding of the threats. In this seminar, information security experts will share their experiences and explore ways to manage the risks. You are cordially invited to participate in the event.
