

Title of School-Based Support Service (Learning Communities) (2024/25)

Learning Community for Citizenship and Social Development: Understanding the Development of the Country and the Connotation of Chinese Culture

Online Application Code

S10

1. Objectives

The support service aims to:

- promote cross-school professional exchanges for curriculum leaders to jointly discuss the concerns and corresponding strategies for implementing Citizenship and Social Development so as to help students master necessary knowledge and skills/generic skills and cultivate positive values and attitudes

2. Foci of Support

- To facilitate teachers' reflection on the implementation of national education in Citizenship and Social Development
- To use appropriate examples and a variety of resources to design effective learning activities for students to deeply understand the latest developments and achievements of the country and cultivate a sense of national identity
- To use diversified strategies in learning experiences within and beyond the classroom to help students enhance their understanding of the richness and beauty of the traditional Chinese culture and its inheritance and development in Hong Kong
