

**Title of School-Based Support Service (Learning Communities) (2024/25)**

Learning Community for Personal, Social and Humanities Education: Curriculum Planning and Implementation of National Education

**Online Application  
Code  
S9**

**1. Objectives**

The support service aims to:

- promote cross-school professional exchanges for curriculum leaders to jointly discuss the concerns and corresponding strategies in implementing Personal, Social and Humanities Education (PSHE) in order to help students acquire the necessary subject knowledge and skills/ generic skills and develop positive values and attitudes

**2. Foci of Support**

- To facilitate schools' reflection on the implementation of national education in the PSHE Key Learning Area (KLA)
- To assist the KLA in arranging learning activities which dovetail with different subjects' curricula for students to understand the major historical events and figures of our country, grasp accurately the constitutional order established by the principle of "One Country, Two Systems", the Constitution and the Basic Law, and enhance their self-awareness of safeguarding national security
- To promote the use of appropriate national education and national security education learning and teaching resources in subjects so as to help students deepen their understanding of the conditions, history, geography, development and achievements of our country, appreciate Chinese culture and traditional values, and cultivate a sense of national identity
