

Checklist for submitting “Application Form for admission to Primary One” by post or using drop-box provided by the school (if applicable)

Parents who are unable to apply in person or authorise a representative may arrange to submit the application form with the photocopies of supporting documents by post between 20 and 27 September 2021 (the postmark date should not be later than the prescribed deadline). Parents should visit the school’s website or contact the school direct for details on submitting application form in advance. Besides, to avoid gathering of people, schools may arrange parents to put the original of the application form and the photocopies of the supporting documents in the drop-box provided by the school to shorten parents’ waiting time. Under this circumstance, parents should note the corresponding arrangements for providing the original of the documents to schools for verification and signing a declaration form.

Parents submitting the application form via the above means should sign a declaration form (which will be available for download from the EDB homepage) to declare that the supporting documents provided are true copies and will provide the original of the supporting documents to the school on or before 1 November 2021 for verification. Otherwise, the application will be rendered null and void. The school will arrange parents to provide the original of the supporting documents to the school for verification on or before 1 November 2021. After verifying the corresponding documents, the school will return the copy of the application form with the school chop to parents for record.
