From : Secretary for Education To : Heads of Secondary Schools

Ref. : EDB(RTD)1/82/1411/92 XII

Date: 17 December 2012

# Issue of Norm Tables of Pre-Secondary One Hong Kong Attainment Test 2012 and Conversion Tables of Pre-Secondary One Hong Kong Attainment Tests 2011 and 2012

(Note: All teachers involved in the administration of the Pre-Secondary One Hong Kong Attainment Test should read this circular memorandum.)

### **Summary**

The purpose of this circular memorandum is to provide schools with the norm tables of the Pre-Secondary One Hong Kong Attainment Test (Pre-S1 HKAT) 2012 in Chinese, English and Mathematics as well as the conversion tables between the Pre-S1 HKAT 2011 and Pre-S1 HKAT 2012.

#### **Details**

- 2. The Pre-S1 HKAT was administered on 17 July 2012 to S1 entrants of the 2012/13 school year. The sample study and linking exercise on the Pre-S1 HKAT in 2012 were also completed. The norm tables of the Pre-S1 HKAT 2012 and the conversion tables of the raw scores between the 2011 and 2012 series are attached. Schools can make use of the information in these tables to diagnose their students' strengths and weaknesses in Chinese, English and Mathematics for enhancement/support programmes, and to compare their performance in these subjects with that of the previous year.
- 3. Schools using the Web-based School Administration and Management System (WebSAMS) may obtain the norm tables of the Pre-S1 HKAT 2012 through the Communication and Delivery System (CDS). Please decrypt the file in CDS and perform detailed analyses of the students' performance by using the functions in the HKAT module.

### **Enquiries**

4. Enquiries about the attached norm tables and conversion tables should be directed to the following officers of the Research and Test Development Section:
