Test Schedule for Pre-Secondary One Hong Kong Attainment Test 2022

Purpose

The purpose of this circular memorandum is to inform schools that the Pre-Secondary One Hong Kong Attainment Test (Pre-S1 HKAT) 2022 (the Test) is tentatively scheduled for 19 July 2022.

Details

2. The Pre-S1 HKAT facilitates secondary schools to identify the strengths and weaknesses of their Secondary One (S1) entrants in Chinese Language, English Language and Mathematics so that appropriate support measures could be introduced.
3. Starting from 2006, the sampled results of the Pre-S1 HKAT have been used as the scaling tool in the Secondary School Places Allocation (SSPA) System to scale the internal assessment results of the coming cohort of Primary Six students proceeding to S1.
4. Similar to the previous years, the Pre-S1 HKAT 2022 is a secure test. The arrangements for distribution and return of test materials will be similar to the arrangements in 2021. Details of the arrangements for the Test will be announced in the 2021/22 school year.
