### Secondary School Places Allocation (SSPA) System 2021/2023 – Secondary School List

This Secondary School List (SSL) is comprised of schools, viz. schools in own district and schools in other districts, for central allocation in this school net for the SSPA System 2021/2023. Schools in own district refer to secondary schools physically located in the district. Schools in other districts refer to secondary schools physically located in other districts and provide school places for central allocation in this school net for the SSPA System 2021/2023.

The school information in this SSL (as at March 2023) is for reference of parents when making school choices in **Part B** Restricted School Choices of the Secondary One Choice of Schools Form (Choice Form).

Before filling in the Choice Form, parents should check whether the school net printed on the cover page of this SSL is the same as that shown in Student's School Net on their child's Choice Form. In case of discrepancy, parents should inform their child's primary school immediately. Parents should also refer to the Notes for Parents on Central Allocation and enter, in order of preference, a maximum of 30 schools from this SSL in **Part B** of the Choice Form.

Basic information about secondary schools is available in the Secondary School Profiles 2022/2023 distributed in December 2022 by the Committee on Home-School Co-operation.

### III 注意事項

教育局由2013/14學年開始放寬每級班級數目的規限，以促進學校持續發展。開辦兩班中一的學校無需申請發展方案，惟學校必須靈活調配資源，策略性開設多元選修科目，為學生提供一個寬廣而均衡且可持續發展的高中課程。至於只能開辦一班中一的學校，可申請發展方案以繼續營辦。

## III Points to Note

The EDB has relaxed the required number of classes for each level starting from the 2013/14 school year to facilitate the sustainable development of schools. Schools operating two S1 classes are not required to apply for school development options. However, they should offer diversified elective subjects through flexible deployment of resources and strategies to provide students with a broad, balanced and sustainable senior secondary curriculum. As for schools with only one S1 class, they can apply for a development option to continue the development.
