Synopsis 故事大綱 :

This is an inspiring drama performance which depicts how students' school lives are afflicted during the pandemic and how they overcame it.

It portrays their struggles to acclimate to the new normal. Their vibrant school life has to be replaced by learning through ZOOM which has hemmed in their social life.
Regardless of their struggles, their persistence and tenacity to combat COVID-19 was gratifying.

A heart-rending story with a comical twist and it has an unexpected ending!

Prologue

Pisa : Ok everyone, I've fully explained the script. Now it's your time to try. Who would like to be the first?

Students : me me me me me!

(COVID-19 (YANNIS) comes in)

COVID-19 (YANNIS) : hahahahaha

Pisa : Who are you? What do you want? We are having a lesson right now.

COVID-19 (YANNIS) : I've come to find you.

Pisa: I am sorry but I don't know you.

COVID-19 (YANNIS) : You don't have to. (Starts spreading the virus to Pisa)

(Pisa starts to feel unwell. Starts coughing and then faints)

Ray: What have you done to our teacher?

(A bright light, everyone faints)

In Zoom World

(All students are being trapped inside Zoom windows. *Angela* wakes up first.)

Angela : Where am I? Where is everyone?

(*Angela* knocks on the screen)

Angela : Hey! Wake up! Please don't leave me alone here!

Constance : (Wakes up) What's going on? Why am I being trapped in a window?

Angela : Oh! *Constance*! Are you ok?

Constance : I am fine. But where are the others?

Angela : Can you see the names on other windows? I guess they are there sleeping. We should wake them up.

Constance : How?

Angela : We should try to knock our windows together to see if we could wake other people up!

Constance : Ok.

(Both *Angela and Constance* knock on their window.)

Constance : It's not working.

Angela : Maybe we should try harder.

(*Angela and Constance* knock on their windows again, in a ridiculous way)

Constance : Not working at all.

Angela : (grabs a paper ball next to her) Hey, I have a paper ball here. Let's try this. (She throws the paper ball to the screen)

Constance : Don't be silly. Please.

Angela : What else can you think of?

Constance : I am thinking about Snow White, she can gather the animals by singing. Maybe I can wake everyone up with my singing.

Angela : Are you sure your idea is better than mine?

Constance : Yes. I am sure they will all wake up when they hear my beautiful voice.

Angela : Ok, let's give it a try.

(Constance starts to sing. That is a terrible voice. Angela cannot help to cover her ears. However, everyone wakes up because the voice is so bad.)

Abbie : Oh my god! What is that noise?

Summer : That's terrible.

Cherry : Where am I?

Angela : You are all awake!

Constance : I told you.

Nathan : Where are we? Why are we trapped?

Alexis : It's so weird. I feel stuck!

(The laughter of Covid-19 appears)

COVID-19 (YANNIS) : Hahahahahaha

Mickey : It's you again! Who are you that has trapped all of us here?

COVID-19 (YANNIS) : I am Covid-19, a Coronavirus that can put you to death.

Mickey : Are you going to kill us all?

COVID-19 (YANNIS) : Hahahaha! Humans! You've hurt the world for so long. It would be mercy if I simply kill you all now. I am going to lockdown every human being on Zoom, so everyone would be punished by losing their freedom. And then I will kill you all slowly, one by one……
Caden : No!!! I don't want to die!
