In the train station

Civil servant A: *(holding a torch)* Hey! B, wait for me!

Civil servant B: *(holding a torch)* Fine, don't be so timid!

Civil servant A: Aren't you a little bit scared of this abandoned train station? IT'S HAUNTED!

Civil servant B: Why would I be? Scaredy-cat! I just want to do this job as quickly as possible and go home!

Civil servant A: Ok...

(They go into the station carefully)

Civil servant B: This place is really dusty and filthy!

Civil servant A: It's very frightening... Are you sure we don't need the ghost hunters to come with us? They are just outside.

Civil servant B: I don't believe in ghosts! Come on! Let's start with the fences of the station...

(Civil servant A doesn't move)

Civil servant B: Oh A, move quick! We need to finish the investigation today, or else WE WILL GET FIRED!!!

Civil servant A: *(comes back to their senses)* Sorry, just a minute!

(Smart ghost, Greedy ghost (Oscar), Child Ghost (Jane), Train Captain Ghost and Train attendant Ghost come in)

Train attendant Ghost(Susan) : Hey, Oscar, what's the point of you searching for FOOD in an abandoned train station every day?

Greedy ghost (Oscar): We all need food to survive, right?

Train Captain Ghost (Tom) : But you are a GHOST! You don't need food to survive! It goes through your mouth and drops out straight away!

Greedy ghost (Oscar): But the action of eating gives me happiness and gives me HOPE!

Child Ghost (Jane): And sometimes I find candies in the gutter! Papa, right?

Greedy ghost (Oscar): That's my way to be more optimistic in this dark, haunted place with my daughter.

Smart ghost: In my opinion, this station is haunted because of US.

Greedy ghost (Oscar): Well, it's not my fault that we are trapped here.

Train Captain Ghost(Tom): It's my fault. I am sorry. If I hadn't crashed my train, you all wouldn't be here.

Train attendant Ghost(Susan) : Stop living in the past, Tom. We all forgave you a long time ago. Oscar, I found some cockroaches here. Do you want them as snacks? Or I can make you a snail milkshake.

Greedy ghost (Oscar): I have a hunch that I can find something better today. (sees 2 civil servants) Wait, guys! What's that over there?

Smart ghost : DUMB! That's a hu..... hu?(Scream) HUMAN?! HIDE NOW!

Civil servant A: WHO WAS THAT TALKING? (Kept searching)

Civil servant B: Silly goose! There's nothing, just keep doing our job.

(They both continue looking around the station)

Train Captain Ghost(Tom): (speaks softly) No one has ever come down here before. How did they find this place? And what are they here for....(gets interrupted by Greedy ghost)

Greedy ghost (Oscar): Who cares? Let's go get some food! I'M SO HUNGRY!

Smart Ghost: ARE YOU CRAZY?! STILL THINKING ABOUT FOOD? THIS IS AN EMERGENCY!

Train Captain Ghost(Tom): Stop arguing! Smart Ghost, can you try to read their minds and see what's happening?

Smart Ghost: (Tries to concentrate) Telepathy, reading mind!!

Civil servant B: I'm happy that this building is finally going to be torn down!

Civil servant A: Do you know why the government wants to destroy this place?

Civil servant B: Nope. Next time I come here, I will bring my hammer and destroy everything.

Civil servant A: I will bring my flamethrower and burn everything to the ground.

Smart ghost: OMG! They are civil servants and they want to destroy our station!

Train Captain Ghost(Tom): But why?

Smart ghost: I don't know. They said the government wants to destroy it.

Train attendant Ghost(Susan) : They are going to destroy our home?

Child ghost(Jane): What should we do? Papa!

Greedy Ghost (Oscar): Uh-oh! This sounds serious. What can we eat to stop this?

Smart ghost: Is that a joke?

Train Captain Ghost(Tom): We have to think of a countermeasure for dealing with the situation.

Smart ghost: Let's scare those civil servants away first. Then we should call every ghost to come and see what we should do next.

Train Captain Ghost(Tom): OK. That sounds like a good plan.

Child ghost(Jane): What should we do to scare away those Civil Servants?

Smart ghost: I can use my Mind to transmit our horrifying image to those civil servants. That should scare them away.

Greedy Ghost (Oscar): Ok. Let me go first.
