Synopsis 故事大綱 :

In the village of Fairy Tale, everyone is very excited about the annual “Puppet Star” performance contest because after it, each villager can become a “judge” to decide whether to give the participants a star or a grey sticker. If you get a star sticker, it means people in the village love you and support you. However, if you get a grey one, it means they don’t like you and that makes you depressed. Chubby is a puppet who is covered with grey stickers. When he is in a great despair, he meets Ceci who has no stickers at all. It is so amazing that Ceci can finally help Chubby no longer fear of grey stickers. How can she make it?

Song 1 : Let Us Show You What We've Got

*All Let's come to this place, we'll fill your month with laughter,
By showing our skills, we'll win the stars;
You will be jealous of how gorgeous we are,
By doing my best, we'll be the superstars.*

*Performers Who cares? Who do you want to be?
The brightest future is waiting for me.
Don't you see? It is my destiny!*

*Dwarfs Who wants? Be the best of the best?
A talent show is an exciting test.
The way to success, if you could fulfil all our requests.*

*All Yeah!
Let us show you what we've got.
You will find out some new thoughts.
Even if it's hard we'll never stop,
With your support, we'll reach the top.

Let us show you how we beat,
Giving lives a whole new twist.*

- Dwarfs : If your performance is bad, we will put the grey stickers on you, and everyone in the village will hate you.
- Puppets : We must do our best and fight for most star stickers!

(After the music is over, everyone gives a pose.)

MC2 : Ladies and Gentlemen, the Puppet Star Performance Competition will now begin!

All : Excitedly) Yeah!

MC1 : Let's take a look at the performance of the first team, the "Puppet Choir"!

(Choir Performance.)

(At the end of the performance, only two villagers come up and put some star stickers on them, but a large number of villagers and dwarfs step forward to put grey stickers on them.)

MC2 : The choir performed poorly today, and the audience did not like your performance. Then let's take a look at the "Puppet Dance"!

(Puppet Dance Performance.)

(After the performance, many villagers and dwarfs put a lot of star stickers on the dancers, while a few people put some grey stickers.)

MC1 : Not bad! The third performance is our Mr. Handsome puppet, he wants to perform a special piece called "So Handsome"!

(Handsome walks on the stage with confidence, but he looks a little embarrassed because he is ignored. Then a little villager girl walks shyly towards him and put a star sticker on him.)

Girl : You are so handsome and charming.

(Handsome smiles with gratitude.)

MC2 : Ok! Now come to our last but not least performance – Mr. Charming puppet! He is already the winner of our last session! Let see if he can defend his success!
