- Smarty : (strike poses) Hi there, I am Smarty. Do you know me? I am the smartest in my school, (strike a pose) you can tell right? Well, at least my parents think so! Smarty, cool man!
- Friends : (voice over mix – SL & SR) SMARTY but NAUGHTY!
- Smarty : (pause)...(spread his arms) I am studying in a very good school, a Band one school. You know, Band One. And I am doing, of course, very well! (lean forward) You might think that I like my school very much, right? Actually, I DON'T!
- Friends : (voice over mic – SL & SR) Ha!
- Smarty : There are three reasons. No.1 – My friends are too ordinary, no one is smart!
- Friends : (come on stage) Hey Smarty, can you help me with my Geography project?
Hey Smarty, can you play with me?

too bad! I'm keeping them.

Smarty : No.2 – I just can't figure out why my teachers always see my parents, I'm not naughty, not at all, well just a bit ...active, you know, it is normal to a smart kid like me, don't you think!

Smarty's parents : (come on stage) Mr Wong, I apologize for what Smarty did.
Really Miss Chiu? Oh, my god! I think I need to talk to him again.
I understand what you mean Miss Chan, but the fact is, he never listens to me!
Miss Leung, please talk to him, he listens to teachers more than to us!

Smarty : Mum, dad, not me, I didn't. Vandan started first, Sultan asked me to do. I just kick, push, blame... a few times, well about 10 times. What's wrong with me?
LX 3 out, LX 2 in. (embarrassed) Yeah! My parents! No. 3 – There are so many rules and regulations here, like no running in school, no talking in lessons, be punctual, don't fail homework, always in tidy uniform, baa baa baa... How come!

Smarty : I really feel stressed studying in this school. What if there are some places with no rules, no parents, and meeting cool friends! Learning is as sweet as tasting desserts.

Tuck Shop owner : (Comes in) Hi Smarty, fancy a candy? (Show Smarty a big basket of candies)
Pick one, it's your choice.

Smarty : Why not? Gimme!
(He picks the biggest and eats, then gets fainted) LX 4 out, projection 1 out + scene change music 3 (mysterious feeling)

Smarty : (run) Can you tell me where this place is?

Girls : Me? (suddenly dance together)

Girls : (stop dancing and run again, look at Smarty) Hey, lunatic! Keep running!
Everyone runs at recess, if you don't, you will get hurt, run!

Smarty : What do you mean? (staring at them) I am not lunatic, tell me where I am!
