Scene 1

(Curtain up)

(Music fades in. Lights up)

(Aries and Gemini enter)

Aries: HA HA.....HAHA!

Gemini: Aries, what's so funny?

Aries: Oh, Gemini, I saw a very interesting thing from humans.

Gemini: Well, that's ok. I heard about that many times already.

Aries: No...no!

Gemini: YES! You always say.... *(Gemini imitates Aries)* There are a lot of human beings walking down the street, looking very busy. Haha! *(Gemini's voice back to normal)* You've said that ten thousand times already!!!

Aries: NO! Please believe me. It is very special this time! Do you know what it means to be united together?

Gemini: What? It sounds interesting. Please tell me more.

(singing)

It is really funny

Na nanananana

Please tell me more

Na nanananana

Aries: One day, a powerful flood destroyed the homes of those humans. Then they all united together and rebuilt their homes. I can't stop laughing at this.

Gemini: United together and helping each other? HAHA! That is really interesting!

(Leo and Capricorn enter)

Capricorn: What's so funny?

Leo: Yes, please tell me. I want to know too!

Gemini: Leo, Capricorn, you two came at the right time. Aries said he saw humans united together and helping each other.

Leo: Really? Human beings are so strange.

Capricorn: I don't think so. This is the wisdom of humans.

Gemini: Yes. Yes.

Leo: (*proudly*) Actually, if they beg me for help, maybe I will help them.

(*Libra, Sagittarius, and Taurus enter*)

Sagittarius: Beg you? Leo, who do you think you are?

Leo: Excuse me, Sagittarius! I'm the King of the Beasts, so I'm sure I'm better than you. You are just half human and half horse. A STRANGE creature!

Sagittarius: YOU!

Libra: Don't argue, calm down, please.

Taurus: Yes. If we are talking about smart, I guess you two cannot be counted.

Leo: Taurus, you just care about money. Please don't tell me you are smart. If you do so, I will laugh out loud. HAHA!

Taurus: Leo, you are too mean.

Leo: If you don't believe me, let's have a competition!

Libra: Don't argue, calm down, please.

(*Other horoscopes: Cancer, Scorpio, Virgo, and Aquarius enter*)

Aquarius: Hey, hey, hey, someone thinks he is the smartest.

Scorpio: Yes, I'm so bored hearing that.

Cancer: You all are not tired of arguing, are you? I believe real talent is the most

important thing!

Leo: That's right! Talent is the most important! Then do you have any talent,
Cancer?

(Cancer gets very angry.)

Libra: Don't argue. Please calm down.

Leo: Shut up, Libra, you are so annoying!

Libra: Leo, you....you are too arrogant! If the boss did not say he has something to
say today, I don't want to talk with you at all.

Virgo: Libra, please calm down. From the day you know him, he always thinks he is
the best. We all got used to that. Let's make a guess why the boss wants us to
gather here!

Taurus: Ok! ok! I think the boss wants to increase my salary!

(singing)

Money, money, money, money

I like money very much

Money, money, money, money

Without money, I can't live

Capricorn: Taurus, don't just talk about money all the time. Maybe the boss wants us to
think about how we can do our job better.

Scorpio: I don't think so. I think the boss wants to kick out the most useless one among
the twelve of us.

Virgo: In my opinion, I think the boss wants us...*(suddenly stop)*

Sagittarius: Why did you stop? Keep going...*(Virgo stopped and then looked at others)*

Aquarius: What's wrong? Why are you looking at us?
